Wolodymyr Selenskyj is the name of the vanguard of the **whole-body cancer** heading east. Wladimir Putin resists. This conflict is undoubtedly not a rabid war of aggression by Russia, as propagated maliciously by the western alliance, but rather solely a defensive reaction against the hegemonic megalomania of **Semitic globalization** and its **satanic inquisition**. Here the self-destructive **fascism** of **economic capitalism** is clearly revealed to the collective of all peoples and nations, which not only transforms the earth into a crisis-filled **concentration camp**, but also threatens the entire planet with the climate change it has brought about. And all those who affirm, support and promote this **Judeo-Christian-Occident Reformation**, they are the most perverted **satanists**, **devil worshipers** and **fascists!** **God Mammon** is their **Lord!**

I testify to you in the utmost sincerity

**All politics have failed globally
Without exception**

And once again I testify to you in the broadest earnestness

All policies have failed globally and without exception

And I tell you one more time

The true blackness of your devil cannot be painted, written, or spoken. YES, it defies human representation and definition! The Reason is rooted in Satanism and is the most diabolical cause of all global crises, including climate change. The reasonable person can't think, but only considers what is fair and acceptable to his immature, heteronomous and degenerate self-understanding. He always fathoms on the surface of his cesspool what corresponds to his inner stench here, so only heeds his self-righteous self-importance, the posturing of his greed, the blinding of his appearances, the noise of the needy madness, and the toxic vapor his putrid mortality. All his tact follows solely the logic of this universally praised reason, the ebb and flow of his moods, so the pathologically deviant capers of his lies, the vulgar arbitrariness of his repressions and the abysmal dispositions of his diabolical cunning, deviousness and malice. The only light of reason is success in evil, so reaching an elevated position, maintaining the advantage and preserving all appearances, having and possessions. Enslavement and plunder are the unholy testimony of this reason, the truly global projection of terror and the true construct of a tremendous Armageddon!

verily

World politics is stuck in a dead end, that is, in a comprehensive dilemma. There is truly no more progress, but only a resolute, consistent, steadfast, sovereign and purposeful step backwards, so a collective change of direction. For this are two things required, that well-known open ear and a sincere looking eye, this with the **PRECEDING** as well as with **all** those who follow **HIM**. And here there can only be **ONE** that precedes **ALL**. Anyone who contradicts this no longer has the right to speak in public.

Hence and so

Everything further-**SO** is what I call not only a weakness, but rather the most rabid dogmatism of a deeply malicious unteachability. Standing still and pausing, however, is not a weakness, but the greatest courage, which reaches the inner humility and opens a healing transformation.

And verily, verily, verily

My word is in the world and is called Written in the dust. No one can pick it up and I take nothing back! Everything catches up with you, inevitably and inevitably. All politics have failed. Without exception. If you go with me and turn back, you will experience eternal salvation. Everything else is your problem, your responsibility, your destiny!

I testify in the utmost sincerity and in being-conscious responsibility

I am all retreat's path, target and target-way

I reveal, witness and say to the global collective of all peoples and nations

I am the enlightenment beyond and before all reason, and reach further than all horizons. I contain, define and testify to the universal emptiness before all words and names, and thus reveal the one, only and whole spirit of spaceless and timeless being, the sacred womb of all life.

And I rest in the dust whose smallest grain I have passed through to reach the Eternal bosom, to arrive there, to rise with **Him** and to follow His call. So I am **ONE** in **father** and **mother**, and in **eternity**! So I am out of the world that she is not in me. And I fear neither you nor share your fears with you!

And so I tell you

Only the truth unites. And where the truth unites, there is no submit, no bearing, no enduring, no plugging in, no accepting, no tolerance, no swallowing, no suffering and no getting over it. **YES**, here **everyone** is carried, loved, acknowledged and hugged in **ONE**.

Verily, verily, verily I reveal and testify to the global collective of all peoples and nations

Everything is wrong that does not serve salvation. Man is not the standard. Being divests itself of all self, grazes in the light, needs neither appearance nor possession and outlasts all madness sound and smoke. A personality is only someone who doesn't have one. Big and mighty is only what doesn't tangibly encompass everything! Wisdom is greater than patience. Satisfaction goes further than zeitgeist, dogmatism and unteachability. Life's womb contains joy and bliss, truly timeless in the face of birth, becoming and death. Horizon is always the horizon of the smaller.

Neither names nor titles means more content and weight, because the backbone of a sincere upright attitude. Dogmas, norms and rules require the cadaver obedience of the minors and the disoriented. The mature one, however, stands rocky on the earth, walks steadfastly and safely in the spirit of the Eternal, and never deviates from the light path! That greatest thing is nameless, and dwells in the smallest thing, that only those who step through the speck of dust reach the boundless sky.

Providence is greater and reaches farther than any religion. Religion is footwear, never the path. With the wrong equipment you will never find the entrance to the path. Lies, coins, weapons, violence, ignorance and faith are for every religion, Yes, for every spirituality, a certainly insurmountable barrier on the sacred footpath of the Eternal. The truth never fires its invincible powder, but knows how to blast and tear down every bulwark with its clear and triumphant wisdom.

My word is valid in the boundless sky of the only and sacred universe, in whose bosom the timeless earth is embedded.
And I don't lie. I never lie! And I certainly open up to anyone who knocks on my door. Anyone and everyone!
And don't persuade yourself and don't let anyone persuade you that this is one hate speech. There is no hate in me, not a trace of hate and its excesses. Not even the breeding ground of hate is found with me.

Look and hear

Everything belongs to **everyone**. And because it is so, because it is eternally and unchangeably so, that everything belongs to **everyone**, therefore nobody can sell anything and nobody can buy anything. So, everything belongs to **EVERYONE**.

And it is here Written for eternity

And it is revealed and testified to the German people, as well as to the global collective of all peoples and nations, as Holy Providence, as a message of enlightenment, truth, liberation and Unhurt. Only the return to being and life, Yes the turning to the essence of timeless nature, only this inner path is enough to go through and survive. And is there no alternative of healing transformation. Neither in heaven nor on earth.

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends of enlightenment, light, truth, life, salvation and joy. **YES**, I am a lover, a knower, a seer and an embracing one

And I testify to you all

**Long live the earth
Long live the earth without fascism**

GRAL

*The divine is always its own being in each neighbor
What the earth bears, this also bears what the earth bears
The lover opens up what has been decided in his one love
Who carries the lie within himself can never tell the truth
God does not love the other, but his being in the other
The lap of the smallest one carries the whole thing
The visible non-visible makes everything visible
The hardest tribe rests in the tenderest sprout
A healer healer is who awakens the healer
No one carries a full pitcher to the well
Only where truth is there reconciliation
Love of man is never love of God
A true master teaches masters
Only a student sees students
Emptying gives fulfillment
to empty means to fill
Emptiness scoops fullness
Being walks beyond God and man
Only a master can touch the master
He who learns to unlearn, he learns
Only an empty cup can draw in the source*

Today at 11:38 am I wrote:

Nevertheless, I want to testify to you that the political rabies of that Western monster, YES, that its madness, is many times worse and more sinister than I can put into words. A collection of all resistance is not only inevitable, but certainly the highest, broadest and most sacred commandment of all living seriousness, credibility and responsibility!

I am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so anti-fascist
