The Eternal speaks

I have a message for Volodymyr Zelenskyy here

So Volodymyr

I have testified to your several times that your are on the wrong track

Today I advise you once again that you bow to the deep insight of my recognition by seriously taking all my words to heart and following my holy call without compromise. Because, truly, Russia is not responsible for the catastrophe around you, but only you and all those who incorrigibly agitate against Russia, misuse you for their own purposes, spur you on and supply you with weapons!

Bossiness finds no peace. Never and never!

Stop then, Volodymyr Zelensky! Stop on and end all acts of war immediately and comprehensively! Stop on and let it be quiet! So end the conflict and agree to talks so that the weapons no longer speak! Set no conditions other than a cessation of all fighting, that the guns be silent for good. Vladimir Putin will agree to this.

Do what I say and don't fear it!

And I ask for mediation

For Vladimir Putin and Volodymyr Zelenskyy

Hear the words of my message and follow my call!

You are both wrong and there is no winner. There are no war crimes because war is the crime. So you are both war criminals, as are all those involved in this. But not man will judge you and certainly not their systems. Not in the West, not in the East; not in the north, not in the south. I will judge you, but I will not curse any of you. **You two are both responsible and guilty!**

The **UN** is a morgue in the graveyard of a global ghetto of hell. She is neither scale nor direction, and without solid ground! She failed as well as both of you ended up. So put down your weapons and stop raging! You're both stuck in a dead end with no answer and you don't know how it will end!

Ill eI have been invited this weekend and am on my way to justify a sovereign Stand up with other willing people. This claim is intended to open up the space for all smaller parties in Germany to Stand up together against that intellectual syphilis that not only prevails and rages in Germany. Should this succeed, the rabies of the traffic light coalition will end promptly!

Truly this stands here in the boundless sky Written for eternity!

And it is truly the claim of all-unity that I judge you both.

**Long live the earth
Long live the earth without fascism**

I am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist
