The Eternal speaks

To Sarah Wagenknecht

So, Sarah, I call and invite you to my table to join forces with me to gather all the resisters in Germany, and thus open up the necessary and only healing upheaval, and then lead them to success in a targeted manner.

So you don't need to found a new party because everything is already prepared. So you can do without this tour de force!

If you follow my call, not only will the rest of the Left Party follow, but many smaller parties and associations will also join us, and all fragments of the true resistance against the intellectual syphilis of the political-religious elite will turn to us, as well the larger proportion of non-voters. And not only the Alliance Greens would then be history!

All politics and all religion have failed comprehensively and globally.

The NO of a democratically elected majority, as the smallest and yet the most important step, will undoubtedly bring about the necessary standstill and bring about the overthrow of the prevailing madness! As a result, this NO is not only the holiest and most invulnerable foundation of everything that is to come, but the truly unique, unassailable certainty of salvation.

So, Sarah

The people have never been asked if they even want this insane and self-destructive system. Let's do this together now!

Truly I tell you

That I need neither your approval nor your recognition, that I therefore do not need this, this means means that all your rejection is only against you, i.e., in the end only hits you.

This is the sacred secret of my untouchable victory, and therefore of your irreversible downfall!

This also means that I am the caller, not the supplicant!

I announce a message for Sunday, December 18th, 2022!

So

I don't just want to ask a question Sahra Wagenknecht here, but ALL of you, this question I'll answer then, on Sunday. But your all should not think that my question is easy to answer!

My question to you is: **What defines a compass, or what determines its value?**

You can also interpret the compass as a sovereign who needs neither external recognition nor approval!

Why is that and what does it mean for the **L**ost, for the **S**eeker, for the **D**isoriented, for the **W**eak?

I will illuminate and present you the answer from several viewpoints!

BEAUTY is loud in be silent and quietly in speech

because wise!

Here's a little help:

Shot into your own goal

When the weak unite
to then become strong as they believe -
That's how they cheat themselves!

because

What you are not, you will not be
by teaming up with colleagues in the club.
That's an own goal!

so

Togetherness is far from strength.
Merger alone does not create values.
Garbage to garbage - is even more garbage.
The stench is getting bigger, not the calculus!
