The Eternal speaks

I'm telling you

**Mental syphilis is equal to castration**  
is called  
**The castrated fucks without begetting**  
**The sovereign procreates without fucking**  
is called  
**The castrated fucks with the gun**  
**The sovereign begets nonviolently**  
is called  
**The castrated is a promoter of war**  
**The sovereign is the bearer of peace**  
is called  
**The castrated thinks he is right**  
**The sovereign knows he is in right**  
is called  
**The castrated fucks and is satisfied**  
**The sovereign rests in peace even before he begets**

Wahrlich sage ich Euch

Anyone who needs weapons and worships violence, he has lost all true values and is called castrated. He is the worst enemy and adversary of life, its content and meaning. The awarding of the Charlemagne Prize to Volodymyr Selenskyj and the Ukrainian people, this act not only determines and defines Europe as the evil causer and promoter of a rabid coin war, this coin defines its only value, but also represents it to the global collective of all peoples and nations, without a doubt and undeniably, as a castrated-fucking Gang of the mental syphilis. This murderous gonorrhoea community should by no means be taken as a compass as it spells to a nuclear finale.

And it stands here in the dust: **Written for eternity!**

I am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

**Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist**
