The Eternal speaks

Verily, verily, verily I bear witness to you

Wanting to save the world means not only forcing its decline, but make this even more devastating!

The world is but the formation of darkness, conceived and built by named man, this errant individual believing himself to be the crowning of creation. And Judaism even thinks itself, and has been raving about in that madness ever since, to be the holy crowning of this crowning: "Grow and multiply, and subdue the earth"!

And so Semitism means:

Crowned crowning of all crowning

Yet I testify to the global collective of all peoples and nations

**Where the highest coronation,
the greatest, worst and most devastating evil imaginable rages here**

And says Genesis 6:8

That **LORD** who previously graced Noah, this **LORD** was and certainly is not that spirit of light, but uniquely and without doubt the demon of darkness.

And so

Olaf Scholz is the name of the crowned servant of that crowned coronation of all coronations! He's even worse than Adolf Hitler!

Therefore I advise the Central Council of Jews to dissolve unconditionally! This would certainly help to end the conflict in Ukraine!

Truly, truly, truly

To pass through the speck of dust is to reach the boundless sky

And I rest bedded in the dust, in this my word is written for eternity

I am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist
