The Eternal speaks

to Luisa Neubauer

I tell you Luisa

Anyone who lets themselves be carry henceforth by police officers, is not only incapacitated of their legs, but also reveals to the community of all peoples and nations that they are without a path and without a direction, i.e. does not know the direction, YES, she does not even guess! This whole action is just pathetic!

Verily

Nobody needs to carry me. I have two legs that I am aware of and know how to use!

So Luisa

You should now learn from me that you have not only reached your extreme limit, but that all your credibility has finally been disposed of by the police. You cannot go ahead, nor can you show others the way. Your voice is groundless from this hour on! You certainly do not define the resistance, but only your disoriented vanity!

I know what I'm talking about and And my word stands!

And I ask for mediation

I am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist
