Do not crawl into the earth, but sink into yourself. Because what you all are doing is I called masturbation, i.e. masturbation! Politics does the same. All this opponents have been masturbating for thousands of years, are then satisfied and everything goes on without change!

You all have to stop this , go within your and find the way to me!

I am here for you all, as a true friend!

And my word counts!

And I ask for mediation!

Today's Spiegel-Online, January 14th, 2023, 5:48 p.m. in an interview with Jonas Schaible!

Tagesschau 8 p.m.: **"As long as the coal is still in the ground, the fight is not over"!**

So Greta

What you are saying is not only wrong but deeply stupid, **YES**, frighteningly absurd! This is how an underage and noisy toddler thinks!

Pressure always generates counter pressure. And all pressure from above follows the precise gravity, und this potency the threatened can only escape by dodging. So the pressure is not the answer, but another way: **The way of Wisdom**, that is certainly not to be found in the coal under the ground! And even if those masked moles in the tunnel dig their way through to the coal, then, if ever, they will understand that fighting has nothing to do with the answer. Because, that slogan of perseverance, **YES**, this stupid slogan also follows all politics that have failed globally and comprehensively.

Do you understand Greta? Politics failed just as you failed, Greta. You failed when you met Angela Merkel and the Pope I know you don't understand this! Had you, Greta, declined the invitations, they would have known that you were a sovereign! After you've been with those Hochstablars, they knew not to fear you! Because you are one of them!

If you want to learn more, if you really want to learn, then you should definitely come to me, Greta. With me you learn to win, not to fight. If you put pressure on, you are under pressure. He's under pressure because he overestimated himself!

Only when you take it out will you know what you had in your eye! The answer is before the question! For if there were no answer, there would be no question

And I ask for mediation!
