The Eternal speaks

On Wednesday 2/1/2023 at 10:36 PM I wrote:

To the editors of the weekly newspaper "Die ZEIT", based on an inquiry in my mailbox:

"What really helps against depression"?

I answered:

But I tell to all you

Horizon is always the horizon of the smaller

The so-called depression is in truth the misinterpreted birth pangs of inner spiritual healing!

The affected person is stuck fast in a (dark) dead end and cannot find the way out, i.e. the birth path, towards the inner healer!

I find everyone who comes to me!

To the ARD: Saying of the day: Text panel 401, from Saturday, February 4th, 2023:

"The only way to avoid error is ignorance.", von Jean-Jacques Rousseau

But I tell to all you

This statement is not only deeply wrong, but completely, really completely absurd!!!

It is correct that the ignorant, even if he does not know about the errors and mistakes, they does not recognize that he nevertheless makes them and does not avoid them. It is indeed ignorance that makes him err! This certainty also includes the belief or conviction of the ignorant. Only as a knower can he know about the error and avoid it!!

Means: The believer or the convinced certainly does not avoid any mistakes and mistakes in his ignorance, even if he believes ignorantly or is convinced, to know what he thinks, speaks and does! Often the ignorant, i.e. the believer and convinced, does not even know that he is ignorant, i.e. does not know!! It is precisely his ignorance that causes him to err and make mistakes; does however nothing to avoid them! And even if he does not know that he is wrong, he is still wrong, so that his unconscious error is therefore not avoided, but made, given and present! So the ignorant can believe or be convinced that everything they think, say and do is right, and yet everything can be wrong! He didn't avoid anything in this context! **At best, he avoided looking and listening more closely!** And he certainly avoided serious doubts about his thoughts, his words and his actions; and this avoidance is due solely to overconfidence, arrogance, dogmatism, unteachability and madness.

And here it is worth taking a closer look.

Because how does the ignorant behave when he encounters the knowledgeable, who holds up a mirror to him and enlightens him with regard to his errors and mistakes? Does the ignorant then avoid arrogance, overconfidence, bossiness, unteachability and rabies, or does he remain true to these in his ignorance, that he hostiles, marginalizes and fights the knower? And just as he does not avoid any of this, as well he does not avoid furthermore to his mistakes and errors, but rather deepens, condenses and expands them.

Lover, Knower, Seer and Comprehensive

On Wednesday 02/15/2023 at 2:10 p.m and 22.10 p.m I wrote:

I AM and my word stands

Hear me, see and recognize

I greet all friends and Girlfriends of **enlightenment, light, truth, life, salvation and joy. YES**, I greet all you as an **lover**, as a **knower**, as a **seer** and as a **comprehensive one!**

And I testify

I do not lie. I never ever lie! And I don't abuse.

So:

I don't lie, I don't abuse and I don't let myself be abused. **Not and never!**

And so I repeat myself, witnessing to the global collective of all peoples and nations

All politics ist failed globally and comprehensively All religion has failed globally and comprehensively

So

I am ready to take the fate of the Ukraine, Germany and Europe in my hands in holy awareness and responsibility, as well as in the greatest seriousness, and then to lead the global community into holistic salvation; following the all-unifying, supporting and comprehensive spirit of life, in his light, truth, love, freedom, peace, meaning, goodness, mercy and justice - right, just, uncompromising and thorough!

For this, there must be new elections in Germany, at these elections also the Alliance-GRAL, holistic right to life participates. The Berlin traffic light coalition is over! Volodymyr Zelenskyy failed miserably!

I call on all friends and Girlfriends of **enlightenment, light, truth, life, salvation** and **joy** to found state associations of the Alliance Gral in all federal states (except in Saxony-Anhalt, because it already exists)! (See: www.buendnisgral.de or www.bundeswahlleiter.de) Other alliances, parties and associations can join us. (See statutes Alliance-**GRAL**, point 15) I am willing to invite seriously willing people to my place, or to travel elsewhere to attend the respective foundings. This requires clear agreements beforehand!

Verily, verily, verily I bear witness to you

With all other parties, here's a **coming** and **going**, a **searching** and **trying**, a **playing** and **juggling**, a single **LUG** and **FRAUD**, a **use**, **abuse** and **consumption**, **YES**, a truly conspired, flatulent and hopeless **rot!** However, whoever turns to me and only drinks once from the water of my fountain, and then tastes whose holy goodness, never will he/she turn away from me.

Angela Merkel's name is Pandora, and Annalena Baerbock walks in her dark shadow. The Ukraine conflict is the name of the western alliance's Trojan horse; satanic, insidious, devious, vicious, perfidious, devious, two-faced, cursed and apocalyptic!

So and verily, verily, verily

My **word** is in the world and is called Written in the dust. No one can pick **it** up and I take nothing back! Everything catches up with you, inevitably and inevitably. All politics have failed. Without exception. If you go with me and turn back, you will experience eternal salvation. Everything else is your problem, your responsibility, your destiny!

I testify in the utmost sincerity and in being-conscious responsibility

I am all retreat's path, target and target-way

I reveal, witness and say to the global collective of all peoples and nations

I am the enlightenment beyond and before all reason, and reach further than all horizons. I contain, define and testify to the universal emptiness before all words and names, and thus reveal the one, only and whole spirit of spaceless and timeless being, the sacred womb of all life.

And I rest in the dust whose smallest grain I have passed through to reach the Eternal bosom, to arrive there, to rise with **Him** and to follow His call. So I am **ONE** in **father** and **mother**, and in **eternity!** So I am out of the world that she is not in me. And I fear neither you nor share your fears with you!

And so I tell you

Only the truth unites. And where the truth unites, there is no submit, no bearing, no enduring, no plugging in, no accepting, no tolerance, no swallowing, no suffering and no getting over it. **YES**, here **everyone** is carried, loved, acknowledged and hugged in **ONE**.

Verily, verily, verily I reveal and testify to the global collective of all peoples and nations

Everything is wrong that does not serve salvation. Man is not the standard. Being divests itself of all self, grazes in the light, needs neither appearance nor possession and outlasts all madness sound and smoke. A personality is only someone who doesn't have one. Big and mighty is only what doesn't tangibly encompass everything! Wisdom is greater than patience. Satisfaction goes further than zeitgeist, dogmatism and unteachability. Life's womb contains joy and bliss, truly timeless in the face of birth, becoming and death. Horizon is always the horizon of the smaller.

Neither names nor titles means more content and weight, because the backbone of a sincere upright attitude. Dogmas, norms and rules require the cadaver obedience of the minors and the disoriented. The mature one, however, stands rocky on the earth, walks steadfastly and safely in the spirit of the Eternal, and never deviates from the light path! That greatest thing is nameless, und dwells in the smallest thing, that only those who step through the speck of dust reach the boundless sky.

Providence is greater and reaches farther than any religion. Religion is footwear, never the path. With the wrong equipment you will never find the entrance to the path. Lies, coins, weapons, violence, ignorance and faith are for every religion, Yes, for every spirituality, a certainly insurmountable barrier on the sacred footpath of the Eternal. The truth never fires its invincible powder, but knows how to blast and tear down every bulwark with its clear and triumphant wisdom.

My word is valid in the boundless sky of the only and sacred universe, in whose bosom the timeless earth is embedded.

And I don't lie. I never lie! And I certainly open up to anyone who knocks on my door. Anyone and everyone!

And don't persuade yourself and don't let anyone persuade you that this is one hate speech. There is no hate in me, not a trace of hate and its excesses. Not even the breeding ground of hate is found with me.

Look and hear

Everything belongs to **everyone**. And because it is so, because it is eternally and unchangeably so, that everything belongs to **everyone**, therefore nobody can sell anything and nobody can buy anything. So, everything belongs to **EVERYONE**.

And it is here Written for eternity

And is it revealed and testified to the German people, as well as to the global collective of all peoples and nations, as Holy Providence, as a message of enlightenment, truth, liberation and Unhurt. Only the return to being and life, Yes the turning to the essence of timeless nature, only this inner path is enough to go through and survive. And is there no alternative of healing transformation. Neither in heaven nor on earth.

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends and Girlfriends of **enlightenment, light, truth, life, salvation** and **joy**. **YES**, I am a lover, a knower, a seer and an embracing one.

Yes, live the EARTH

without fascism

I AM. And I lie bedded in the dust - herein my word written stands for eternity.

And my word stands

I Am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist
