The Eternal speaks

At 12:44 I wrote:

to Volodymyr Zelenskyj

You still don't want to admit that you are undoubtedly and undeniably with responsible for the war with Russia. You still don't want to understand that you are therefore jointly responsible for every Ukrainian killed here, whether civilian or soldier, for every raped woman and truly for every damaged children's soul. Likewise, you are certainly jointly responsible for every killed Russian soldier, as well as for all destruction, for all flight movements, for all misery and suffering of the survivors, for all rabies and their hatred and hate speech. This also applies to all allies and weapon suppliers.

So Volodymyr Zelenskyj

And nothing and nobody on this planet can absolve you of this guilt! **Even if you make a lot of noise!**

So, and as the only chance:

I am ready to take the fate of Ukraine, Germany and Europe into my own hand. I am the only one who can do this!

Withdraw the Ukrainian troops from Bachmut, declare a truce and resign your position! I am ready to talk to you, as well as to Vladimir Putin! First separated!

to Alice Schwarzer

In that video with the Phoenix reporter Bernd Rasem, not only is your unbearable stupidity revealed, but also the fact that you are still abusing the "Rebellion for Peace" movement for your "self-importance of stupidity". Your overconfidence causes no less harm than the entire war propaganda of all the media, which rush and make noise against Putin! You explain to that cheap reporter that talks are necessary, but then you already anticipate the result of these talks, **YES**, even determine their result, i.e. the end result, as "**Alice Schwarzer, the holy and chosen one**"! Your desecration of the movement has already unstopably heralded whose decline!

Anyone who allows himself to be paraded in this way by a corrupt microphone holder does not have the right to speak in public! It is to be wished that every participant in the movement takes note of this. Weeks ago I told Sarah Wagenknecht that she was not the answer. You have confirmed it in a way that needs no further words. So you'd better shut up from this hour on! How did once sing Curd Jürgens ? "Sixty years and not a bit wise, sixty years haven't learned nothing in addition...!"

to Joe Biden

You are primarily responsible for the "Ukraine theater of war", just as the USA is found on the genocide of the indigenous people, and also responsible for the slaughter in Vietnam, later for the terror in South America, then for the disaster in Afghanistan, in Iraq, in Libya and in Syria! **YES**, Joe Biden, you are mainly responsible for the terrible massacre in Ukraine, jointly responsible for all the dead, for all the raped and otherwise suffering. You are a satanic beast, a rabid progeny of those Semitic demon that has ragesthrough sick human history for thousands of years, fearing nothing more than the spirit of truth and global peace.

You will stand trial, Joe Biden! You will indeed stand trial, you sunglass-wearing imp!

to Olaf Scholz

And you Olaf, you truly defend every millimeter of your psychopathy. In your eyes the madness is really brewing!

And I ask for mediation!!!
