The Eternal speaks

**Love is ETERNAL, without More**  
**Love is without birth, without becoming and without death**

I repeat and testify to you once more

Never and no one will conquer death with his self, neither with the lie, not with violence, not with the weapon, not with the coin and not in or with ovanity! Nobody and never! Not yesterday - Not today - Not tomorrow!

Verily, verily, verily I bear witness to you

**All life is joy**

And here some secrets from me about me and about you

I've always been back to earth. Several of my texts in the "Tao de King" are incorrectly translated or incorrectly assigned to me. A part of me was once called Jesus of Nazareth. Jesus Christ is a satanic corruption of his being. The church is a satanic sewer, full of draindirt and gutter shit; so it has nothing to do with me! Judaism is the worst plague in human history. Because victim-perpetrators always conspire in hate and revenge! Her all-encompassing and all-carrying curse is: **Everyone carry each other's burdens!**

Verily, verily, verily I bear witness to you

If I were as it suits you, soas it corresponds to all your thought pattern, so I would only be one of you. However, since I am not so what you all want it to be, and I do not will to be what you are, so I raise myself above you by withdrawing and lying now in the dust. Because it makes no sense to battle against self-destruction, i.e. to argue against its noise! There is neither noise nor stench in the dust, neither you downfall nor you death nor your decomposition! Only the spirit of the eternal and of life. Not only will the earth survive all your self-destruction, but she will truly relax and heal without melancholy and without conversion!

**No**, the Eternal does not and never fight, against time, because time destroys it **Self**. So I do not fight against you, just like an ocean does not fight against a dirty puddle, the spring does not against winter, solike the green neither against the bloom is still fighting the bloom against the green. Who follows the time ends with her.

So I ask all you

So am I friendly or unfriendly? Which one of you wants to determine this? Who thinks they can determine this?

And I ask allyou

**What can a SELF see that does not even recognize itself??**

Wahrlich, Wahrlich, Wahrlich bezeuge ich Euch

**Who say YES to me, you say YES to life.**  
**Who denies me is already dead before he dies**

So and verily, in and with clear words

**Religion, capital and politics that fucks creation and humanity into the apocalypse**

And this fucking conjures up the most murderous Armageddon imaginable! I know about the global self-destruction by that deeply rabid, self-important, manic and insane minority of all the religious, political, ideological und capitalist elite, whose wicked, neurotic and hysterical masturbation threatens the earth and all life. I recognize the disaster of that time turning, as well as that disaster of that deeply ugly, narcissistic and hopeless movement "**Women-Life-Freedom**", so this noisy spectacle rooted in hatred. For the spirit of life and freedom is eternally genderless, i.e. without distinction. I see through the hollow traffic light coalition around Olaf Scholz, which has placed dog shit on the shoulders of the people as a political burden in order to blame all resistance due to its own widespread stench. I also know about the hopelessness of all the "peace **marches**", as well as the futility of those "climate **activists**" and all the other "**neurotics**", who are only rooted in aimless ambition, and are therefore all at the mercy of failure! I warn you all firmly against economic-capitalist absolutism, whose unscrupulous-rabid-despotic progress not only subordinates everything existence to his suicidal mania, but blindly trolls towards that nuclear abyss that belongs to his destiny. And finally I warn you all against the bottomless and abysmal Semitism, which is deeplyconspired in a hegemonic fascism, whose suicidal tyranny guarantees those man-made Armageddon!

Verily, verily, verily I testify once more to the global collective of all peoples and nations

**All politics have failed, globally and without exception**  
**All religion has failed, globally and without exception**

Verily I bear witness to you

## Carefree water supplies everyone

So: **The horizon is always the horizon of the smaller**

The word is like a tool. So whoever uses the word, he/she must be **BIGGER** than the word, that **He/She** gives content to everything **He/She** thinks, speaks and does, and masters it. Who is smaller, then the word, **He/She** does not determine and control it, and is therefore determined and controlled by it in all thinking, speaking and doing. He/She is determined by others, ignorant and immature.

Only what was present before the word was founded and established, i.e. before that word was and is, only this emptiness controls the content, definition and the determination of all the words, i.e. this spirit is greater than the word could ever be, and is therefore Master and Sovereign, is Being-Destined, Knowing and Conscious.

Whoever is **SMALLER** than the word, that this was before him, and **He/She** is therefore its servant or maid, **He/She** does not know whether the content of the word is right or wrong. And even the word itself does not know about its content, whether this is worth or worthless, right or wrong. And because the word, as master or mistress of a manservant or maidservant, is ignorant, so it can impart knowledge neither to this nor to that; so neither a knowing right nor a knowing wrong. And thus is every servant and every maid of the word is determined by others in all thinking, in all speaking and in all doing. So every externally determined **self**-structure is always and truly without its own word, without own thought and without own action!

Truly, truly, truly

Anyone who picks up a tool without mastering it **He/She** will cause mischief, terror and ruin! Always and Everywhere! Yesterday-Today- Tomorrow!

Real "**knowledge**" is not imparted in the schools or at the universities. Rather, the children, young people and adolescents in these facilities are only fed and filled with information intended to serve the ignorant system and ensure its preservation. Social contacts are defined by upbringing, submission, manipulation, dressage, chastisement, adaptation, corruption, functionalism, loyalty, followers, performance, selection, setting goals and determination, i.e. intentional and organized heteronomy and prevention of a self-determined personal development of all subjects, to prevent and protect against a clear and untouchable **reconnaissance**. This reconnaissance is based "**spirit, knowledge and meaning**" solely and exclusively on what is essential, natural and healthy for all living things, so on the holistic principles of that all-one, comprehensive sovereignty of being, as the innermost and sacred prerequisite, for a true, living, unifying, free, peaceful and just community.

And I ask

Projection! What is projection?

Projection is probably the worst weakness and plague of one ignorant and underage person, with which he tries to impose his own worthless and dark pages on another, in order to avoid his homemade cesspool in this way! This always happens when an outer and empty-clean mirror shows him his self-world-system-bubble and he is suddenly confronted with what he carefully keeps hidden or what he cannot see in himself, don't want to see; That means: **Repression!** As a result, he tries to get rid of the stench of his little Self-bladder in the other person, i.e. to blame the awakened "**challenger**" for his inner one garbage, in order not to face all his inner **LIES** and **DECEIVERS**, and to stumble over them and with his "**self-bladder** and all that **credit**" he not falls into the bottomless abyss. So **He/She** projects all self-depravity onto that stranger, trying to persuade him, though verily it broods, rages and clamors in his own depths, and then justifies himself with absurd and inscrutable explanations. This mostly happens unconsciously. And where the projection is used consciously, **Yes**, here a deeply wicked and arbitrary strategy of absolute evil prevails, that is, that so-called Satanism!

Loyalty is always corrupt, and always reflects inferiority, baseness, injustice, malevolence, and arbitrariness. It is the pillar and horizon of all "**LIE and FRAUD**" conspiracies. Loyalty means and caps the stench of a shared cesspool. She wants to cover up and veil what stinks up to the boundless sky. Loyalty floats on the surface, delights only in outward appearances, pomposity and boastfulness, so sticks to possessions, appearances and credits, to the status achieved or to its attitude, so defends titles, honor, office, medals and other illusions or masquerades, unites Liars, scammers, exploiters and freeloaders, as well as all the opinion makers and know-it-alls. Loyalty glorifies attitudes and dependence that are befitting their status, is therefore always a fragment of absolute evil, can be found in every mafia-like structure, is indispensable in every man-made system, truly extends as an inquisition through the entire contemporary history and was/is always ready for every outrage. Loyalty is rooted and breeds in those satanic oath, "**Each one carries the other's burden**", where burden stands for **curse**, for **fear**, for **guilt**, for **wrong**, and **ruin**. Loyalty is like a tumor, a toxic mutation, and is reflected in every cancer cell and its ulcers. Anyone who denies loyalty and deviates from it, i.e. turns to **dissolution** or **salvation**, is then considered a traitor and a polluter, an enemy threat. That unified loyalty of the West in the war against Russia, it clearly illustrates this manner of malevolence. **Yes**, loyalty is found only in the system of evil, in the dark demon of that mortals!

The rule of law is system right, which says nothing about the right or wrong of the system, but about all the unscrupulous and underage authors, about the malicious, sinister initiators, about the swordsmen, ringleaders and inciters of that murderous system inquisition, as about all those servants and maids, the Courtiers, footmen, buggers, yes-men, sycophants and creeps. **What can a SYSTEM know that doesn't even know itself?**

At the entrance to the Auschwitz concentration camp was written "**Work sets you free**". At the entrance to the Federal German concentration camp is "**Right to work**", as an expression of the hatred and revenge of the incorrigible Jewry, this since its beginnings and through the millennia has seen itself as a constant victim, and consequently condemns everyone else as a perpetrator. To contradict Judaism, i.e. Semitism, is **RIGHT**, so never wrong or a crime. Because those supposed victims were and always are the worst, most malicious and most brutal perpetrators in contemporary history, because they categorically refuse to take responsibility. They believe that all the other person is responsible for their victim-pattern-thinking and put it in Front of their door. Thus they create for themselves a self-righteous pretext for hatred, hate speech and revenge. They do not recognize their responsibility for there role as a victim, nor for all the consequences that result from it. In this way, they not only concede an unrestricted global monopoly to here hopeless paranoia, but also justify their terror always with that satanic-biblical encouragement: In this way, they not only concede an unrestricted global monopoly to here hopeless paranoia, but also justify their terror always with that satanic-biblical encouragement: "**Grow and multiply you and subdue the earth**". Here they are absolutely loyal, do not exclude anyone, but treat everyone equally, friend and foe alike! Their megalomania is unsurpassed in human history. The sworn brotherhood with Christianity, i.e. that "**Jewish-Christian Occident**", this satanic loyalty and its Inquisition, which is still present today, has more skeletons in the basement than all other murderous manslaughter combined. Today's system law is due to their self-preservation! **Yes**, every system, every camp, every conspiracy, every bagno, as well as the federal German labor and concentration camp, as well as the global hell ghetto, all these graves include, contain, define and determine a previously written order, with so-called rules, commands and rights, these always conceived and set by a insane minority. And yet that certainly doesn't mean that these are worth more than putrid manhole filth and stinking gutter shit. And there are many who don't even think about it! Their loyalty does not speak for them, but against them!

It applies

### **It's just one heaven and it's just one earth**

The **Sovereign** does not need loyalty, because he stands on his own two feet and also knows how to swim against the current on his own. Ignorant followers, however, like all those underage-corrupt officials, disoriented cripples and intellectual non-swimmers, they need mutual support and always hold on to each other, so everyone falls and sinks if even one deviates, i.e. "falls over" or sinks! What they call loyalty, so what they all hold on to in order to explain, defend and justify themselves, these are the instilled straitjackets and thought patterns of upbringing, school material and study. All loyalty is the shackle, armor and weapon of narcissism, materialism, psychopathy, absolutism, madness and unteachability. **Loyalty is an expression of the widest stupidity!** All cancer cells are loyal. They reliably cling to each other, in everything and all the time, without realizing that as parasites they are destroying their host together. The cancer cell defines those sick narcissism that believes it has been chosen, and therefore rises at the expense of the healthy cells, parasites on them, and thus abuses, plunders and exterminates them! All cancer cells are loyal. They reliably cling to each other, in everything and all the time, without realizing that as parasites they are destroying their host together. The cancer cell defines those sick narcissism that believes it has been chosen, and therefore rises at the expense of the healthy cells, parasites on them, and thus abuses, plunders and exterminates them! This means: The **Self-understanding** of the cancer cell is programmed, focused and aligned for its own destruction.

I know very well that many do not understand me, so they cannot follow me spiritually. Therefore, you all shouldn't judge me either, because it falls back on you. The rule of law is a bubble, a sinister inquisition, that ignores, excludes or falsifies all contradictions, i.e. everything that is uncomfortable, misunderstood and foreign. He is defined by all the fallen and lost **SYSTEMS** of contemporary history, and is rooted in their morass; is thus only an mortal fragment of human arrogance and excess. **Man has never been the benchmark!**

Loyal means dependent, mendacious and corrupt! And who is worry about others, he/she is overwhelmed!

So

In every **NO** lives a **YES**. The **NO** to a lie is the **YES** to the truth. The **NO** to existence is the **YES** to life. It is enough to know the **NO** to turn to the **YES!** Witnessing the **NO** reveals the knowledge in the **YES!** The more believable the **NO**, the more true the **YES!**

The **NO** to the way, opens the **path!**

I'm telling you

The true master teaches masters. He teaches winning, not fighting! But whoever worries only worries about their small, ugly ego! And only those who stand on earth do not fall from heaven.

What is **True, Good, Right** and **Correctly**, it is true, good, right and correctly for **ALL**. What is true, good, right, and correctly for all, it needs neither reform nor improvement nor renewal. And what is **not** true, **not** good, **not** right and **not** correctly, this also needs neither a reform nor an improvement or a renewal, but should be thrown into eternal fire, so that it may be banished forever in heaven and on earth.

Hence and so

The Alliance **GRAL** is the sacred cradle of **enlightenment, light, truth, universal unity, global salvation, certainty, liberation, peace, justice** and **thoroughness!**

Therefore

**Only** a revolutionary, non-violent gathering and elevation of those below can and will stop the global catastrophe that is already visible, bring about a healing reversal and achieve its success. All politics is not able to do this, but will undoubtedly deepen and widen the disaster! This is for sure!! If the lower ones do not rise up in that holy and healing claim, then they are not only jointly responsible for the disaster, but amplify it immeasurably!

**The avenger is without mercy!** Sein treuer Wegbereiter und dessen loyaler Vasall heißen Hoffnung und Zuversicht! Und jene, diese die Zwillinge Hoffnung und Zuversicht rühmen, diese bereiten dem Rächer den tollwütigen Nährboden.

Verily

I warn all you about Joe Biden, Olaf Scholz, Robert Habeck, Annalena Baerbock and the likes. They are all balloon psychopaths from other planets, deeply contaminated narcissists and degenerate mutants. They are not on earth but somewhere in the nowhere, completely off track, disoriented in the highest degree and tralala. **YES**, they are absolute, total and definitive proof that, for many thousands of years, religion and politics proclaimed that rumor of hope and confidence, **Yes**, that this comic not only reveals the darkest stupidity of the underage bourgeoisie, but that the voters, with the mentioned turning point, now and wastefully got rid of the miserable remainder of their responsibility by traumatically surrendering to the common demon of that elitist, so disposed of in their toilet. They know how to smell themselves **Good** because they don't notice the enveloping, loyal stench!

I want to enlighten you

A sovereign needs no one to explain him how a sovereign ticks. A swimmer certainly does not waste time listening to a non-swimmer explain how he to teach them to swim. A leader certainly doesn't run after those who try to explain out loud where the path isn't. A knower certainly does not renounce his knowledge to please the ignorant, or to do them a favour. The upright does not lie because his hearers cannot bear the truth. A true friend is always a friend, even to the worst enemy. A sovereign's wonderful secret means that he gets closer to you insofar as you avoid him!

Verily I bear witness to you

I knew and know how to choose life, conquer death and witness it! Loyalists, opportunists, and corrupt wranglers dislike me, but gladly take from me what is of use to their selves, otherwise avoid me and bypass me. Know-it-alls and the unteachable stay in their bubble until it bursts. The scum fear me and fight me, never being able to defeat me. However, whoever takes life seriously, He/She will not fear me. Anyone who wants a thorough end to the global madness will join me sooner or later. Until then, the testimony of my words rests in silence and my inaction grazes completion and sens.

Hence and verily

A winner does not fight! The suffering of all of you is not my suffering and I don't care about know-it-alls! And I am neither friendly nor unfriendly, neither pessimistic nor optimistic. I'm not here to play hide and seek with you. I'm certainly not running after you, begging for your attention. I do not insult, do not abuse and do not hurt! I watch and listen carefully though. I recognize, name and touch! And this thoroughly, because thoroughly is sacred. This is an eerie secret for many. **YES**, only the hatred fears me and agitates against me!

So

I've made my decision and I know where I stand. And you? Do you know it too?

In any case, so far not a single one has followed my invitations! But this doesn't bother me, because it doesn't speak against me in any way. In fact, you must deal with it! Yes, vanity and overconfidence are indeed a huge, disastrous, and crash-prone problem. They are those two short legs of illusion that are not standing on the ground, but are floating around in an inflated and thin-skinned balloon! So just a hollow air number! Until the **bang!**

I testify in the utmost sincerity and in being-conscious responsibility

**I am all retreat's path, target and target-way**

I am the enlightenment beyond and before all reason, and reach further than all horizons. I contain, define and testify to the universal emptiness before all words and names, and thus reveal the one, only and whole spirit of spaceless and timeless being, the sacred womb of all life.

And I rest in the dust whose smallest grain I have passed through to reach the Eternal bosom, to arrive there, to rise with **Him** and to follow His call. So I am **ONE** in **father** and **mother**, and in **eternity**! So I am out of the world that she is not in me. And I fear neither you nor share your fears with you!

And so I tell you

**Only the truth unites.** And where the truth unites, there is no submit, no bearing, no enduring, no plugging in, no accepting, no tolerance, no swallowing, no suffering and no getting over it. **YES**, here **everyone** is carried, loved, acknowledged and hugged in **ONE**.

Verily, verily, verily I reveal and testify to the global collective of all peoples and nations

Everything is wrong that does not serve salvation. Man is not the standard. Being divests itself of all self, grazes in the light, needs neither appearance nor possession and outlasts all madness sound and smoke. A personality is only someone who doesn't have one. Big and mighty is only what doesn't tangibly encompass everything! Wisdom is greater than patience. Satisfaction goes further than zeitgeist, dogmatism and unteachability. Life's womb contains joy and bliss, truly timeless in the face of birth, becoming and death. Horizon is always the horizon of the smaller.

Neither names nor titles means more content and weight, because the backbone of a sincere upright attitude. Dogmas, norms and rules require the cadaver obedience of the minors and the disoriented. The mature one, however, stands rocky on the earth, walks steadfastly and safely in the spirit of the Eternal, and never deviates from the light path! That greatest thing is nameless, und dwells in the smallest thing, that only those who step through the speck of dust reach the boundless sky.

Providence is greater and reaches farther than any religion. Religion is footwear, never the path. With the wrong equipment you will never find the entrance to the path. Lies, coins, weapons, violence, ignorance and faith are for every religion, Yes, for every spirituality, a certainly insurmountable barrier on the sacred footpath of the Eternal. The truth never fires its invincible powder, but knows how to blast and tear down every bulwark with its clear and triumphant wisdom.

My word is valid in the boundless sky of the only and sacred universe, in whose bosom the timeless earth is embedded.

And I don't lie. I never lie! And I certainly open up to anyone who knocks on my door. Anyone and everyone!

And don't persuade yourself and don't let anyone persuade you that this is one hate speech. There is no hate in me, not a trace of hate and its excesses. Not even the breeding ground of hate is found with me.

Look and hear

Everything belongs to **everyone**. And because it is so, because it is eternally and unchangeably so, that everything belongs to **everyone**, therefore nobody can sell anything and nobody can buy anything. So, everything belongs to **EVERYONE**.

And it is here Written for eternity

And is it revealed and testified to the German people, as well as to the global collective of all peoples and nations, as Holy Providence, as a message of enlightenment, truth, liberation and Unhurt. Only the return to being and life, Yes the turning to the essence of timeless nature, only this inner path is enough to go through and survive. And is there no alternative of healing transformation. Neither in heaven nor on earth.

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough  
because/weil  
Leben und Liebe genügen**

**Alles Leben ist Freude**

And I greet all friends and Girlfriends of **enlightenment, light, truth, life, salvation** and **joy**. **YES**, I am a lover, a knower, a seer and an embracing one.

**My word is holy and valid**

**I Am.** And now I rest quiet bedded in the dust, here my word written stands for eternity!

**I Am**

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

**Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist**
