The Eternal speaks

To Volodymyr Zelenskyj

In and with me there is peace in everything

To the rock the wind carries as eternal chorus,
By the river my word to the Cossack's ear:
When the cherry blossom opens quietly;
Then I know about the sweet red in the white.

in, mit und durch

And my word is holy and valid

What is GOOD today is Kind tomorrow What is GOOD today, it is without birth, without becoming and without dying

What winter is, this is spring, as well as summer and autumn, which always dwell and enthrone, obey, follow and serve good and kindly in the only true spirit of the Eternal. And here there is no war, but everlasting peace!

verily I testify

Truly there is goodness and kindness in and with me

What is in and with me today, it also carries my tomorrow! What is in and with me is without birth, without becoming and without dying. In and with me there is neither a time nor a new one or a better one! In and with me there is neither past nor future. Neither fear, nor lies, or destruction flow in and with me.

So I tell you

You will reap tomorrow what you sow today, that your tomorrow will be what you give and load him on today. And so your current curse means not only tomorrow's destruction, but an eternal blasphemy!

So Volodymyr

I am calling on you to resign immediately and not launch an offensive against Russia. I demand an end to all fighting by the Ukrainian armed forces. Make this known to the global community of all peoples and nations!

And is this my last appeal to you!

Joe Biden is finished. Europe is finished. Olaf Scholz and his three-color traffic light are finished. **YES**, the western alliance of arrogance and overconfidence has hopelessly failed and finally ended!

Verily

I am. And my word is holy

I Am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist
