The Eternal speaks

All intelligence is always stupid enough to overestimate itself

The first step to comprehensively transform the pan-European refugee problem is an immediate end to the western war against Russia, this war is solely and undoubtedly due to the Semitism plague, i.e. that Jewish terrorist fascism, that millennia-old served those hegemonic megalomania. Without a decisive, consistent and just end to the war in Ukraine, the deeply destructive disaster of political disorientation will not only widen and deepen, but the shadows of the system will darken beyond control for those responsible. The conflict in Ukraine is part of the West's devastating aggressions against Korea, Vietnam, Afghanistan, Iraq, Syria, Libya, Iran and others.

The fuzzies of the Berlin traffic light coalition, above all Scholz, Lindner, Habeck and Baerbock, they are more than just overwhelmed, since they not only initiate the impending catastrophe, but are also called driven by it. They invite what haunts them, so to speak. **They don't even know how sick they are!**

Verily, verily I bear witness to allyou

There are bugs and there are vermin. In the timeless creation there are numerous beetles, i.e. in that kingdom of the named animals. Vermin, however, can only be found in the contemporary human Selfworld, i.e. in the intelligence and loyalty of the Pharisees and scribes of religion, politics, ideology, capital and the economy. **YES**, vermin is the name of that mafia syndicate of the exalted and crowned; so the economy of the sycophants and the foam beater, the impostors and the quacks, the jugglers and the charlatans, the show-offs and the busybodies, the barkers and the cardsharps, the gossips and the good-for-nothing. **YES**, vermin is called the intelligence of stupidity; she defines itself **in and with** the logic of ignorance, and orientates itself solely on all the hopeless information of immaturity.

All intelligence is artificial, not natural; she is dirty, not clean; dark, not light; bad, not good; existential, not alive. Intelligence is always the question, not the answer. Intelligence is always stupid, never wise; is always mortal, never timeless!

Woe to you

When the cherry blossom opens quietly;
Then I recognize about the sweet red in the white.
Yet if intelligence opens me its ways;
Then Only ugly brown shit shows up

in, with and through

I'm telling to all you

You all are not the answer and you never will be! Not yesterday, not today, not tomorrow. You are truly and jointly responsible for the global calamity, and conjure up the most devastating Armageddon imaginable!

So I testify to the global collective of all peoples and nations

I am the answer to all of humanity's essential questions

YES

I am the answer

Verily

I am. And my word is holy and valid

I Am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist
