The Eternal speaks

But I tell to you all

Where there is no trust, here is no life, no meaning and no love. Darkness, hatred, agitation, violence and decline prevail here. Suspicion means death-born and lifeless died!

No cruise-missiles or other tools of the abyssal for Volodymyr Zelensky!

Not a single cartridge more for Ukraine!

And my word stands! **YES**, I testify to you all that my word is valid!

## **NATO eastward expansion**

**„Ultimately, the treaty says in black and white: NATO is allowed to expand.“**

But I ask you: Who wrote it down in **black and white**?

Was it perhaps the God of the "Old Testament" or perhaps that of the "New Testament"? Or was it even the two idols, as that sworn "**Judeo-Christian Brotherhood**" = "**Each bear the burden of the other (lie)**"?

Or was it just a mentally ill Jew, a Semite, who followed this Charter:

**"Grow and multiply and subdue the make yourselves earth"!**?

Truly

I warn you about Joe Biden, Volodymyr Zelensky, Olaf Scholz and all other impostors and adventurers in this sworn brotherhood of "**Global Hegemony**". The Western Alliance is responsible for the war in Ukraine, and is primarily for all evil, suffering and chaos on Earth. And their politics will not find the slightest answer to stopping or even reversing the Armageddon of their megalomania!

And verily

My word is written in the dust and stands

Hearing September 19, 2023/ DE PIZKD FK 5 1138 /2023 / 303 Js 15178/23

Enlightenment is like the sun, which rises above every horizon in the morning, so that the darkness gives way to its light, and its warmth dissolves all fog so that what was hidden within can now be seen. And it acts rightly without wrongly, so that anyone who is offended in the face of and because of this certainty should look for and find the reason within themselves! Because hypocrisy always floats on the surface, ostracizes the wisdom of the deep and shoots against the current.

The offended suffers inside. Therefore he must search and find the cause of his suffering exclusively within himself! However, all his complaints, which he directs externally, will not alleviate his inner suffering, but will deepen and expand it.

Truly

Before the soul can laugh,  
she must cry her pain!  
And the tears wash away the sorrow,  
like the rain the dust of the past days!  
And how the water nourishes the germ,  
so will awaken in you,  
what can only grow in true soil!

So

By filing a lawsuit, the offended party aims to exonerate themselves. However, instead of relieving himself, he burdens himself even more. His complaining and weep ultimately only accuses him self, and all his efforts increasingly taint his questionable, inferior and rotten self-image. The offended person was already without dignity before, but his courtship, bleating and whimpering truly exposes all of his inner indignity, immaturity, small-mindedness, lack of character and far-reaching disorientation, i.e. all of their baseness, ruthlessness, unscrupulousness, impudence and depravity. He/she believes and wallows in a victim role, **YES**, dogmatically delights in a deeply perfidious game of self-pity, i.e. in its embarrassment and hopeless lack of prospects.

A **Sovereign**, on the other hand, is never offended; So neither the enlightener nor the upright nor the just, neither the truthful nor the strong character. Only the weakling, the fraudster, the busybody, the hypocrite, the bluffer, the imposter, the liar and the braggart are ever offended, all of whom fear the loss of their fake masquerades. **YES**, every offended person therefore apodictically and expressly not only agrees with, confirms, thus underpins and affirms the clear testimony of the enlightener, but actually accuses himself, and thus declares himself guilty of everything that the enlightenment revealed to him and therefore to everyone else. **YES**, these foam thugs are therefore, always and only, offended in, with and through themselves, since the evil spirit of this confused, disastrous and sick confusion is home-made, rages in the subconscious and defends itself here in an incorrigible manner.

So I testify

Enlightenment clarifies without speaking unjustly. An enlightener makes visible with clear words what **OTHERS** cannot see or do not want to see, and who then make noise and agitation against the seer, who know about all lying, self-righteous, hypocritical, duplicitous, insidious and callous masquerades, and therefore their facades certainly, accurately, precisely and irrefutably seen through. **YES**, the Enlightener unmasks, uncovers and reveals the dark, ugly, hidden and villainous i.e. all those lies and deceptions that are called maliciously hidden behind “**appearances and credits**”, i.e. nesting, slumbering and inflating in an unbearable way in displacement. The enlightener holds up a clearly illuminating and infallible mirror to the deceivers and hypocrites, **YES**, all the Pharisees and scribes, all the fraudsters, braggarts, barkers, charlatans, bunglers and quacks, so that they can look their inner demons in the eye and all the devastating injustice look and recognize, whose evil spirit inhabits, gags, determines and drives them, which they thus embody, are responsible for and make known.

**The Enlightenment sees through!** And because she sees through, she can touch and make visible what is present and tangible in secret. And that outcry of the offended and supposedly injured person, this shock of the person being hit, this uncomfortable disruption of his hypocritical self-image, this sobering disillusionment, it undeniably, decisively and irrefutably confirms the enlightener, since he could not have touched what was not present in the hidden place of the person touched. The outcry of the offended person is analogous to the ugly stench of a boil that was previously hidden inside him and is now coming to light. But the noise of the person hit, i.e. the mold of the escaping mucus, testifies beyond a doubt to the accurate sword of the light, holy and merciful enlightenment.

**A healing transformation is now possible!**

I testify to everyone whether they want to hear it or not

The **Offended** person reveals to everyone involved, as well as to everyone who is not involved, that suffering prevails within him and that this has been recognized and touched by an outsider, in order become audible and visible with and through the complaints of the person affected. But the definition, representation and interpretation of the complainer is not correct, because his inner suffering was already present before the external contact, i.e. before the unmasking, unveiling and exposure!

Therefore I repeat again

The enlightener is not and never responsible for the suppuration and stench, i.e. for the noise and complaints of the sufferer. Rather, he is solely responsible for having located and punctured the “**Ulcer**”. i.e. H. for the truly honorable and revelatory touch of “**Suffering**.” And for this reason, every word he says, as well as everything he does, is owed to a holy claim. And this inviolable certainty can truly be equated with the benevolent service of an upright and just friend, this service opening up inner healing and transformation to the person concerned. And therefore, instead of an embarrassing and obscene complaint embedded in hatred and agitation, that sovereign deserves only sincere gratitude and living solidarity! With his stupid complaint, however, the offended person is trying to blame the cause and responsibility for his self-made suffering on the enlightener or to cover up his inner wrongdoing, to conceal his self-deception and to be able to continue his cheating unhindered. He intends to load up that sovereign with his own baggage and projects the dark rubbish of his self-enemy image into the **attitude and demand of those who see through him!**

Truly

All the weakness, helplessness and malice of the offended person becomes visible when he asks the court to settle for him what he himself is incapable, because his self is hopelessly overwhelmed due to a lack of insight and intelligence. Thus he is abusing that tribunal for his failure to move himself and contact the one he wrongly blames for his condition. The offended person not only avoids the correct clarification, but in doing so instructs others to do what is actually due to his own greatness and sovereignty. **It couldn't be more pathetic!** In this way, the offended person not only reveals all of his helplessness, but also clearly shows immaturity, cowardice, patheticness, banality, lack of dignity, amateurism, wickedness and malevolence, and thus, clearly and finally, once again confirms the credibility, sincerity and truthfulness of the Enlightener, i.e. the inviolability of that sovereign by calling on the Inquisition to serve him so that they open up the **agitation** of his hatred!

Every complaint from the offended person defines aggression. Because the offended person barricades himself in a victim role, wallows in the hatred of self-pity, combines all the potency of his suffering distress into an enemy image against the enlightener, and uses all his remaining energy to avoid his own responsibility, to escape or evade.. Er verweigert tollwütig alle Selbstreflektion. All the strength that he actually needs to face himself, to purify and clarify himself, he wastes all this strength in a hopeless lawsuit-feud against a supposedly external enemy, which nests, fattens up, makes noise, solely and exclusively within him and rages.

An enlightener **never** appears as an agitator, neither against an individual nor against a collective. **NICHT und NIEMALS!** he only person who appears and acts as an agitator is someone who sees the Enlightenment as a threat, fears it, then becomes hostile to it and marches against it. Whoever fears the Enlightenment, they have more than just skeletons in their basement, and they really stink to the limitless heavens! All enemies of the Enlightenment always represented and created evil, dark and wicked Strategies. They hated, hounded and rushed all the free spirits and seers throughout time in order to hunt them down with every means of perversion, to defame, to discredit, to denounce, to insult, to suspect, to mock, to scourge, to slander, to defile, demonize and criminalize, as well as to shout against them, to scheme, to foment, to incite, to ignite, to arm yourself and to fight against them.

**And that's how it is today!**

Therefore and verily

Whoever claims I am a rabble-rouser, that person is revealing themselves to be a real rabble-rouser. I am a spiritual enlightener of the light and I agitate against nothing and nobody. I neither rush nor incite. I don't lie, I don't hate, I don't insult, I don't make noise or argue! **Not yesterday, not today, not tomorrow!** And my word stands!

Truly

That named turning point of Olaf Scholz and his extras, YES, this turning point defines the rampage of the worst fascism in human history, whose megalomania is responsible for the war in Ukraine.

Life doesn't lie! Anyone who lies fears life. Neither is he/she a sovereign nor can he/she uprightly precede others! The lie benefits no one, but is directed against that universal spirit of life, those spirit without a name and which supports, penetrates, embraces and nourishes all living things. Every lie thus darkens the home-made heaven of the collective and invariably backfires on those who are responsible for this heaven. The more malicious the lie, the more devastating the consequences of the forces that strike back.

So I bear witness to you

The awarding of the 2023 Nobel Peace Prize to Narges Mohammadi in Iran is more than just devastating. **YES**, this year's allocation is in no way dedicated to peace and will therefore not remotely help the awardee Narges Mohammadi, but will additionally haunt and burden her. The Nobel Committee responsible is once again testifying to the world of its own ignorance, immaturity and stupidity, i.e. that devilish monster of overestimation of oneself, arrogance, immaturity and decadence, this apocalyptic monster that is responsible for global disaster. Because the Nobel Peace Prize does not in the least serve either peace or the prize winner, but is solely due to the system ideology of the Western Alliance, and therefore exclusively serves its hegemonic network of terror and rabies.

Verily, verily

This vomiting from the Nobel Prize Committee, not just since 2023, will not open even the smallest bottleneck to global peace, but rather powerfully and inflammatoryly invites those apocalyptic decline and throws open every door and gate for it.

## **The true peace of life, accuses and speaks all those guilty of the most murderous war crime, who affirm, wage and nourish war!**

Verily, verily, verily

I am true life and righteous peace. And those who see me as an enemy and then deny me and fight me, these fear the only true and just peace of all life!

**It would be better for them if they had never been born !**

And my word is written timelessly in the dust - **And is valid forever!**

Verily

The earth only belongs to that **Spiritual-Greatness** that carries it, but never to those that are called carried or tolerated by it, whether bugs or vermin.

Verily, verily I testify to every man on earth

**SENSE**

Don't you find happiness on earth,  
There where you stand **Alone** -  
Don't you find it in the universe,  
Wherever you go!

So

**He** who stands and walks Alone, is called a **Sovereign**. **He** alone knows how to lead, so that **everyone** can follow him fearlessly and faithfully!

Verily

**A true winner knows no loser**

Every lie needs security, because she don't trust the truth!  
All evil must win, because it does not see through the good!  
Security distrusts, because it fears the certainty!  
All stupidity survives, because called intelligent!

## Every LIE defines the apocalypse

Hence and verily

Who stands Alone, he walks without a self, without birth and without death. i.e. without ballast and without chains. And the happiness of his senses is everlasting! He alone is called sovereign. And he is neither a cardsharp nor an impostor, neither an adventurer nor a soldier of fortune, because he sees through!

So I Am

And my word is written timelessly in the dust, **and is valid!**

Verily

## All religion and all politics have failed globally
