So and therefore

Neither all you idols nor your lies nor your swords will help or save you!

Verily, verily, verily

Whoever refuses the hand of the universe he is damned in, with and through himself.

He will gain nothing but lose everything!

On the conflicting parties in the Middle East war

In order to end the war and thus avoid further and far-reaching escalation, the following measures are not only necessary as first steps, but are essential!

So I demand

1.  
A bilateral, immediate and lasting ceasefire!
2.  
The Hamas fighters leave Israel unmolested for Gaza after releasing all the hostages, i.e. those condition on Israeli territory. After they reach safely Gaza, they immediately release all the civilianshostages who were kidnapped to here bevor.
3.  
Israel is letting all of the Hamas warriors withdraw and is leaving its army on Israeli soil, so it is not marching into Gaza!
4.  
Hezbollah stays out of it!
5.  
No more air strikes on either side! No retaliation!

If my word should be heard, i.e. to cause obedience and goodwill, then I testify at the global ear of collective of all peoples and nations that I will take all further events into my own hands in a reliable, peaceful and healing manner.

So I bear witness to you

**My word is written timelessly in the dust and is valid forever!**
