So Joe

All your effort To present yourself well or to put yourself in a right even just fair light, **YES**, all this hardship, it is not only in vain, but rather they convict you and knows you guilty.

Because

That "**pure, unadulterated evil**" that you speak of, and that you project into others to deposit there, that evil defines those "**coin hegemony**" of which you are the corrupt bastard.

That's why I'm telling you

It would be better for you if you had never been born. And this applies to all those who wallow in your monstrous, abnormal haze circle!

I know you can't follow me mentally! But that doesn't change the accuracy of my words!

And my word is written timelessly in the dust and is valid forever

So Joe

When the universe extends its hand, no one, really no one, should refuse it!

Just like the attack against the World Trade Center in 2001, Hamas's current attack against Israel is a universal wake-up call, **YES**, a wake-up call and a call to return towards the true **peace of completion**.

Every reversal requires a standstill. Without this standstill, there can be no reversal, but just a carry on as before. The single-lane path into a dead end is also the single-laneway out. There is no other path!

So the war must end that the path to peace can be taken. But the war doesn't just end for one side, but for both sides at the same time. This is the secret of victory, victory over war, **therefore victory true peace over war!**

Listen and look

In every **NO** there lives a YES!

So

The war doesn't end, if one side is killed, humiliated or subjugated! No, the war only ends when it is refused by EVERYONE forever and thus leaves the universe.

Daher fordere ich

1. A bilateral, immediate and lasting ceasefire!
2. Israel leaves its army on Israeli soil and does not invade Gaza!
3. No more air strikes on either side! No retaliation!
4. Hamas signals its willingness to release all civilian hostages!
5. A common table for all fighting parties, at which I take a seat!

The Islamic world will follow me, as will their support! **They are spiritually closer to me than the Western Alliance!**

This is enough for now

And my word is written timelessly in the dust, and is valid forever
