The Eternal speaks

Verily I declare to the global collective of all peoples and nations, as well as to the totality of all living things

And I truly am the voice of the universe

## **Control means castration, subjugation, incapacitation and exploitation**

If Israel's army invades Gaza to wipe out Hamas, Israel not only loses its right to exist in the world, but at the same time grants all of its opponents the right to destroy it by any means possible.

The closure of the Gaza Strip, the cutting off of supplies and the call to flee are already the worst crimes against all of humanity!

**YES**, Israel is truly dominated by the curse of evil like no other nation on earth!

And no one will be able to claim in the future that it was not written down in and with me!

**And I am the voice of the universe**

**And my word is written timelessly in the dust and is valid forever!**
