The Eternal speaks

Truly I bear witness to the global collective of all peoples and nations

And am I the voice of the universe

Judaism is at the End of its biblical history of lies

And my word is written timelessly in the dust, and is valid!

Nothing defines and testifies to grave injustice and deep guilt more than victimhood and self-pity. But the Jews don't want to know anything about this. Their displacement goes deeper than the walls of their deepest bunkers, which they carry around with them in their heads and which they constantly lean on!

The lies of their writings make their heads heavier and heavier, and the beginning of their story calls them today blind and toothlessly stubborn. They no longer know whether friend or foe once lost an eye and whose tooth was knocked out first! The appearance of their overestimation of themselves is only safe in the fog of the unquestionably misunderstood, the loud inaudible and the brightly inscrutable, as well as in the answerless repetition of their hopeless stupidity!

Dominated by lifeless idols and dead prophets, they fear life, which is deeply alien to them. Ark and captain are without a destination, without a compass and without a rudder, driven, steered and hunted by hopelessness, so that without an iron sword there is neither sight nor end lie in Front of them!
