The Eternal speaks

And am I the voice of the universe

I demand a ceasefire in the Middle East!

If Israel withdraws all special and military units from Gaza and withdraws its troops from the border, all of the hostages, as they are still alive, will then survive and be released sooner or later!

There must no longer be a ground offensive or any other border crossings into Gaza by Israel! No! Not even those of the secret services or other units!

If you follow my word, without any compromises, I will be with you and accompany you further. If you don't follow me, I'm and I will stay outside!

And my word is written in the dust and stands

I call on the Hamas warriors, as a sign of your commitment to me and my word, to release some hostages of your choice today, on Sunday, October 15, 2023 between 12:00 and 3:00 p.m.

There must be no danger from Israel to those involved in this action!

And my word stands
