The Eternal speaks

And am I the voice of the universe

I wrote to the weekly magazine "DER SPIEGEL" on November 4th, 2023, at 11:09 a.m

To Christoph Daum

So

Christoph Daum has lung cancer because he has never breathed in/with love!

Reference: **Historian Michael Wolffsohn on the new dimension of hatred of Jews**

I bear witness to all you

Michael Wolffsohn doesn't know the nature of what happened!

Not only is he ignorant, but he also refuses to self-reflect. He doesn't really know what he's talking about nor what he's saying!

It is highly unbelievable and disastrous! And not just since today.

A major and deeply ugly problem with the media is undeniably the fact that it refuses to speak to **anyone** who really has something to say for **EVERYONE**. That's why they don't find any answers, but rather just **wishy-washy!**

Anti-Semitism is not hatred of Jews!

and

The Jews are not victims!

and

Anger and rage are not the same as hate!

and

There is more hate among the Jews than there is among Hamas!

And my word stands!

Every lie defines failure and decline!

And you, Olaf, you only consist of **lies!**

And the calamity that lies within you and your traffic light coalition is **apocalyptic!**

Step back, Olaf! Immediately!

And my word stands!

So

You cannot sow with clenched fists, by Adolfo Pérez Esquivel

Hear me; Javier Milei

I extend my hand of friendship to you and testify, that I am ready to talk to you!

Truly, Argentina really doesn't need the US dollar any more, than it needs the American secret service!

For Sarah **Wagenknecht**, Jürgen **Todenhöfer** and **Everyone** like you

Truly: Vanity stinks powerful! But it is not found in the universe!

I call you the generation of the failed

Truly

Those who riot in the prison yard, he are not only prisoners of the prison, but also its builders!

Your prison is called vanity

YES, all you have built the prison of vanity, which binds you and fuels you, deceives you, lies to you and cheats you. And the more you all make noise, the more your vanity dominates and glorifies itself, the thicker the walls, the tighter the chains, the more suffering your failure!

Verily, verily, verily

Being right is the lie of those who have failed

Being right is vanity's weakness, fears self-reflection, denies personal responsibility, fights the answer, encourages self-deception, suppresses injustice, glorifies guilt, prevents repentance and refuses transformation.

Your generation has continued to build and support this hellish system, not only making this work and concentration camp possible and forcing it, but also always and truly benefited from it, profited itself from it and enriched itself, fattened itself from it, wallowed in it and enriched elevated itself and positioned itself in the spotlight. To this day, you act just as arrogantly, opinionatedly, hypocritically, cheaply, know-it-all and self-importantly as all those you pillory, without realizing that you are not one bit better! You all noise is the same and reaches to the boundless sky. You all are indeed highly responsible and guilty for all this chaos!

AND YOU CERTAINLY ARE NOT THE ANSWER

NO, you are no more the answer than all those, who are just as vainly lying and drunkenly making noise as you undoubtedly portray in your cheap self-importance. Your all smell is the same! Your all use all those who follow you because they don't see through your **LIE** and **DECEPTION**. Therefore, not only will you not change anything, but you will also participate in the increasing disaster, which means you will be responsible for it! Whatever is taken from a dirty **puddle** or escapes from **it**, **it** remains dirty, just as the **puddle** remains dirty! Only those who are freed from dirt and healed, who are **EMPTY**, pure and unadulterated, only **HE** can and may go ahead! **But you all, it's not you!**

You are deeply restless spirits in the thick fog of your own inadequacies, which you assiduously conceal in and with your noise. I look and see through, and know about all the harm in and with all you! Woe to you in a carry on like this!

It has been made known to you here. And you will never be able to credibly claim that it was not witnessed to you in and with me. And if even just one person on the wide earth recognizes me, turns to me and walks with me, this is more important, more emphatic, more sober, more serious, more intimate, more credible and more meaningful than if everyone else denies me and turns away from me! **YES, this ONE with me, he is more than the rest with you!** And in this certainty rests a true majority, those majority that defines neither a coalition nor a compromise; and this majority none of you can and will ever achieve. And this majority is certainly and unavoidably needed in order to initiate and achieve change. Without this majority, all vanity remains captive!

FOUNDATION

What must win is always evil
Every lie defines the apocalypse
Those who fear peace flee to war
Those who are ready to kill hate life
Israel's biblical history of lies is over
War never finds a winner, only loser
Those who approve of war fear peace
Not anti-Semitism, Semitism is the evil
There is no Jewish life, only Jewish lies
If you don't abuse, you can't be abused
Anyone who defends himself is guilty of it
What man defends it is be completely worthless
He who is at peace with himself never wages war
Renunciation does not mean loss, but rather finding
The Lie unite hatred, agitation, arbitrariness, war and terror

THE UNIVERSE IS GREATER THAN ALL THE GODS, IDOLS AND PROPHETS

So the universe speaks

Man's gods and idols I call his demons

Verily, verily, verily

Ignorance and faith define birth, lies, fear and death!

Birth and death mean beginning and end

Thus and verily

People's thoughts, speeches and actions are temporal and end with them.

Thus speaks the Eternal

I am without birth, without lie, without fear and without death, my being, my word and my silence are embedded in this!

Therefore

Everything without and against me, it ends!

And my word is written in the dust and stands forever

Truly

All names are not mine, but man's work!

My name is
