The Eternal speaks

And am I the voice of the universe

To the climate conference in Dubai

I explain to the earthly community that the aforementioned climate conference in Dubai is nothing but a **farce**, a **deception**, a **story time**, a **make-a-wish under the Christmas tree**, a **pitfall**, a **further-So**, a cruel **horror picture show**, a **devastating killing spree!**

Chancellor Olaf Scholz had already failed before his election! Seeing him and listening to him must indeed be a great torment for many! The entire traffic light coalition is also a **farce**, a **deception**, a **story time**, a **make-a-wish-under-the-Christmas-tree**, a **pitfall**, a **business as usual**, a **cruel horror picture show**, a **devastating killing spree!**

I also clarify that those responsible for the war in Ukraine are also responsible for the war in Gaza. The Hamas warriors are not the real terrorists! No, the real terror is by no means defined by the rampage of Hamas, i.e. in their act of desperation, but only in the rabid absolutism of that terrorist organization, which has succumbed to a delusion that is several thousand years old, the earth belongs to her, and the global collective of all peoples and nations thus has to surrender to their control and submit to her.

Truly

Every human being's projection always defines their own self!

So I bear witness to you

The first effective step towards global salvation, this is only the collection in the **AllianceGRAL** in the named Germany. And this first step opens the collection in Europe!

There is no alternative to this!

That's all!
