The Eternal speaks

And am I the voice of the universe

Truly

BEING means **Timeless**, grazes beyond **Beginning** and **End**, and is without **Age**

For the Pope

Every human being's blessing mocks, slanders, demonizes and desecrates the eternal and holy! For with his blessing man exalts, homages and sanctifies his vanity. So whoever blesses another person is only blessing his image, which is defined by his self-image! The person who blesses always blesses himself, and thereby places with a severe curse to himself!

Only the **Eternal** and **Holy** knows how to bless. And the **Eternally-Holy** blesses only his **Womb**! But never anything that does not reside in his **Womb**!

I'm telling you, and you should listen carefully to me!

No human being is entitled to bless another human being! Only those who are blessed by Satan bless others. He blesses those who, with him, are in bondage to Satan and follow his will! Therefore, every person who blesses or allows himself to be blessed is a serf of Satan, so a Satanist! The upright and righteous knows himself to be blessed within! He will bless no one and need no one's blessing!

Truly I say to you

You can bless your office and your title, your toilet and your urinal, your money, your property, your crown, your lies, your curse, your coffin, all the corpses of the Inquisition and all your other garbage, but not the living, because You are not there creator. You're not even allowed to bless the water! It has always been holier than you ever will be!

I want to testify and make known to you and the world that you are a Satanist! For whoever blesses man exalts himself above what is eternal and holy and mocked it. **YES**, you wretched one, whoever blesses people blesses their self-image and thus the common inner-satanic immaturity!

And I tell you again

The **Eternal** and **Holy** never ever blesses man, but only his bright **Womb**!

Woe to you! **It would be better if you had never been born!**

And my word is valid in the boundless heaven and on the timeless earth

And I ask for mediation

And my name is
