With Wolfgang Schäuble, cancer consumed a diabolical and malicious enemy of life!

Those who praise him praise death!

This will be happy to accommodate you!

For the leaders of Hezbollah

I'm telling to all you

**Whoever blows up shit, distributes it**

Netanyahu and his bastards, the clan of the so-called Semites, they consist solely of demonic shit. **YES**, these named Semites testify to a deeply satanic conspiracy that has been going on for several thousand years, whose evil spirit I define as the worst manhole dung in human history, and whose terror apartheid operates across the earth. This sect of Semitism has fallen into the delusion that the earth belongs to it and therefore it has every right to enforce global control by all means and without restrictions. An understanding of injustice is not only missing here, but was never present. I truly and undoubtedly say that all misfortune on earth is due to that Semitic madness, whose brotherhood and curse are attested in the writings of the Old and New Testaments!

The conflict in Ukraine also defines the Semitic claim to global control. As in Gaza, the war was provoked in Ukraine! Netanyahu's intervention in Israel's jurisdiction also applied to the supposed Semitic infallibility and inviolability. **It couldn't be more evil!**

Therefore and so

Hezbollah must not strike back. It must under no circumstances respond to the murderous terror of the Semites with revenge, **neither today nor tomorrow nor in the future**. Hold back that Israel's terror only proves whose injustice! Don't spread scatter Netanyahu's Shit in your living rooms!

And make known to the world my name and my word, which is valid in the boundless heaven and on the timeless earth!
