The Eternal speaks

And am I the voice of the universe

Truly

Arbitrariness sticks to stupid lip

on ARD teletext, panel 401, from today, Wednesday, March 6th, 2024: "**Time is money**" by Benjamin Franklin

But I tell to all you

Eternal costs nothing

Therefore

Neither time can defeat me nor all money can buy me.

And I'll tell to all you something else

Convinced is not worked out and therefore does not witness

Anyone who still hasn't recognized that the Federal German Traffic Light Coalition is exclusively based on psychopaths, that person is a psychopath himself! This also applies to the entire Western political elite!

And my name is

Gerhard olinczuk treustedt

Lover, Knower, Seer and Comprehensive
