The Eternal speaks

And am I the voice of the universe

Truly

Arbitrariness sticks to stupid lip

For Emmanuel Macron

Please tell Emmanuel Macron that I know for a fact that he cannot even begin to define either the word cowardice or the word courage.

He knows neither **one** nor the **other**!

Please tell him, because it is important that this psychopath confronts his dark immaturity and stupidity!

This doesn't just apply to him!

Thanks

On Thursday, March 7th, 2024, at 11:31 a.m. I wrote to Bayerischer Rundfunk

on Bavarian Radio's **saying of the day** / video text board 501 / from Thursday, March 7th, 2024:

"Money is the sixth sense that makes the enjoyment of the other five possible" by Orson Welles

But I tell to allyou

There are many, many filmmakers, journalists and others who look through the lens of a camera without knowing which film they are playing in or who is actually directing it! Orson Welles was certainly one of them!

Today, on Sunday, March 10th, 2024, I am writing to you

About the saying of the day on ARD text board 401, from Monday, February 26th, 2024

"Nothing is either good or bad. It is our thoughts who do this" by Benjamin Franklin

> But I say to Joe Biden, the American President:

>> **"Truly, because you don't know what is right, you did everything wrong!"**

> And to all those who argue and make noise about abortion, I say to all of them:

>> **"Truly, you neither deserve a womb nor life!"**

And my name is
