The Eternal speaks

And am I the voice of the universe

Truly

Arbitrariness sticks to stupid lip

I bear witness to allyou

on the **comment** by Dmytro Kuleba in the Tagesschau at 8:15 p.m., from today, Sunday, March 10th, 2024:

The strongest is the one who takes the side of good in the battle between good and evil, instead of trying to put both on the same level and calling this "negotiation".

But I testify to allyou

Dmytro Kuleba's real problem is, first of all, that he doesn't have the slightest idea what kind of utter nonsense he's talking about! It truly takes great strength to even endure the stench of his inner rot!

So

You can recognize the good guy by the fact that he never fight

1. The strongest, and therefore the most credible, is fundamentally and only the person who does not place himself on any side of a war, and therefore does not allow himself to be corrupted, ever, but fundamentally recognizes every war as evil, defines and therefore rejects!
2. Since each side always believes itself to be in the right, each warring party believes itself to be on the side of good!
3. Following this logic, both warring parties are the good guys, and therefore both are fighting against evil. Everyone believes they are good in evil and yet is evil in good!
4. However, since both sides only cause harm and suffering, there can be nothing good about this!
5. They are both on the same level!
6. Since both are on the same level, neither loses anything if they both lay down their weapons on the same level and then go down one level lower. Here they can then talk to each other without weapons! Whether with a wise flag or with empty hands doesn't matter!
7. The only important thing is that Dmytro Kuleba and others like him are not included!
8. The strongest, and therefore the most credible, is fundamentally and only the person who does not place himself on any side of a war, and therefore does not allow himself to be corrupted, ever, but fundamentally recognizes every war as evil, defines and therefore rejects!
9. The strongest, and therefore the most credible, is fundamentally and only the person who does not place himself on any side of a war, and therefore does not allow himself to be corrupted, ever, but fundamentally recognizes every war as evil, defines and therefore rejects!
