The Eternal speaks

And am I the voice of the universal all-unity

Truly

**Arbitrariness defines absolutism and fascism,
sticks to the ignorant, stupid lip and is unteachable!**

The faith of the good ones is the refuge of the evil one!

**Anyone who gives up their life for others or something else,
has given themselves up to eternal death!**

Easter message 2024

I bear witness to the collective community of all peoples and nations, at the ear of the universal all-unity

The lie is the beginning and the middle of the world!

And further I bear witness to you

**The God-idol of the Jews is a lie,
the worst lie in human history!**

And further I bear witness to you

**Jesus Christ is a lie,
the worst lie in contemporary history!**

And further I bear witness to you

**The Judeo-Christian West is the worst
and largest terrorist organization since the beginning of the world!**

And further I bear witness to you

**The Western Alliance defines the cruelest fascism imaginable,
and this since the beginning of the self and its thinking!**

And further I bear witness to you

Realism defines the nuclear apocalypse

And my word is valid in the boundless heaven and on the timeless earth!

And my name is
