The Eternal speaks

And am I the voice of the universal all-unity

Truly

*On Friday, April 19, 2023, at 11:53 p.m., I wrote to Bayerischer Rundfunk:*

Reference: Saying of the day, from Friday, April 19th, 2024 on video text / board 501

**"Love and compassion are the foundation for world peace - at all levels."** Dalai Lama

But I tell you

Truly

**Love is enough! Where there is compassion, there is no love!**

And please tell the Dalai Lama

Listen and look

I call on Benjamin Netanyahu and Volodymyr Zelensky to restrain themselves and to immediately and comprehensively suspend all belligerence, all nagging and all agitation, and to silence the weapons!

I call on all accomplices to freeze all further arms deliveries in order to slow down and then stop the madness of war!

I testify to the global collective of all peoples and nations, at the ear of the universal unity:

I am ready to get involved with the leaders of the war and to open, lead and accompany all conversations towards peace!

I invite the Saxony-Anhalt media institution to help shape the space for this!

**And my word stands in the boundless heaven and on the timeless earth!**

And my name is
