The Eternal speaks

And am I the voice of the universal all-unity

Listen and look

On Thursday, April 25th, 2024, at 3:20 p.m., I wrote to ZDF:

Reference: "Quote of the day" in the ZDF teletext / table 550 from today, Thursday, April 25th, 2024:

"It's not where you come from, it's where you're going" by Ella Fitzgerald

I bear witness to you

This statement is not only false, but deeply dark!

Correct is and inviolable.

If you don't know where you come from, you don't know where you're going!

He who is ignorant knows nothing. And whoever spins in circles doesn't move at all. He is and remains tied up in his **space-time**, without ever being able to escape! If you don't recognize that you're stuck in a dead end, you won't look for a way out! Anyone who does not recognize his own immaturity will define the maturity of the other as enemy and is more likely to fight them than get involved in this. Anyone who fears and denies the Enlightenment defines darkness as light.

The end lives in the beginning. All birth involves death. whoever exalts himself above others falls. **Everything more is less.** All the past has no future.

In **space-timeless** there is neither **space nor time!** Reason is never pure!

Today, Sunday, April 28th, 2024, a friend contacted me with the following question:

"What is the difference between an idea and an ideal?"

I answered him:

The word **idea** on its own is one thing, with the word **ideal** as a counterpart, this is another. A question or a search wants an answer or a finding. The **idea** is just a suggestion, a beginning, a thought, a fact, a mistake, a lie, a pondering, a variety, a conspiracy, a deception, a competition, a chaos, an argument, a murder, a war! But the **ideal** frees us from all this because it applies to **everyone**. If it weren't so, it wouldn't be the **ideal**.

Example: **Different nations are looking for peace! Earth is peace!**

And I continued to write to him: Life is life! An **idea** of life is not life. An **idea** of life is the search for it. A search defines the path, i.e. the **idea**; not the goal, i.e. the **ideal**.

Truly

I announce another message, a letter in which, among other things, I define Semitism. For this I look back to Moses, who was the first **anti-Semite**. I shed light on the French Revolution, which had nothing to do with Jean-Jacques Rousseau, nothing to do with Voltaire and nothing to do with Immanuel Kant. This murderous uprising certainly did not inaugurate and was not a service for "**Liberty, equality, fraternity**", but rather unleashed the worst madness of capitalism.

And my word stands the boundless heaven and on the timeless earth!

And my name is
