The Eternal speaks

And am I the voice of the universal all-unity

Enlightenment

And all my words of enlightenment, these sanctify the space-timeless being, stand pure, true and inviolable in infallibility, are richer und reach further than all human reason and are described as a wake-up call, and rising up of all immaturity.

Truly

The lie is trauma and a Chain for people. She is home to hatred, racism, xenophobia, agitation, violence and war. The lie defines absolutism and ther apocalypse. She was born in fear, succumbed to her curse, takes refuge in repression, loses herself in lack, entrenches herself in hubris and has since needed her own control in order to survive. She fears everything that contradicts her and denies her, and as a result uses all malice, cunning and deceit to protect, secure and preserve her powerlessness.

I testify to the global collective of all peoples and nations, at the ear of the universal unity

In me there is neither lies nor fear, neither hate nor racism, neither xenophobia nor incitement, neither violence nor war.

Therefore

I deny all lies, all hatred, all racism and all xenophobia; all agitation, all violence and all war, regardless of which self in religion, ideology and politics defines these evils, includes them, evaluates them, makes use of them and then justifies them, as well as itself.

The greatest of all lies in contemporary and human history is:

Grow and multiply and subdue the earth to yo

Old Testament: Genesis 1:28 - apart from the previous lie that, according to the Bible, the Creator Spirit is responsible for this ejection to this day; However, this was already a lie before it was even written down. From this it follows that a **lie** invited **itself** to grow as a **lie**, to multiply and to take possession of the earth. **YES**, with this lie fear, hatred, racism, xenophobia, agitation, violence and war grew and multiplied. So the lie created a self-space-time as an opposition to creation: it is called the **WORLD**.

The lie is the foundation and the path of the Bible on which Judaism stands and walks; and this foundation has been a common thread running through Judaism ever since. And all pogroms, hunts and excesses against the Jewish people have hung on this common thread for thousands of years. Cause and consequence, as a sworn unity of all lies and their Unteachability. **Therefore the Jews were and are not innocent victims, but only guilty perpetrators!**

When Moses once came down from the mountain, some of the people danced and made a noise around that golden bull. Since he was not present before, Moses did not belong to that cheerfulness and made his horror known. His hopeless vanity now had a face. Those opponents had publicly decided against his "spiritual" leadership. Moses' weakness was visible, his failure apodictic. An opposition turned its back on him and devoted itself to materialism, i.e. that **idol mammon!** **Yes**, those renegade agitators and sectarians turned away from Moses, gave themselves up to mortals, fled into transfiguration and immaturity and lost themselves in externals and darkness: In coin, possession, greed, having and appearance! **Semitism was born and divided the Jewish people!**

Semitism means: Grow and multiply and subjugate the earth to you

Semitism defines **absolutism** and **control**, and includes the worst **evil** of existentialism. In Semitism are embedded Fascism, lies and hatred, all racism, all agitation, all xenophobia, all violence and all war of space-time. In this context, Moses must be defined and named as an **anti-Semite!**

Semitism is a facet of Judaism and, as an infernal rein, extends through its history to this day i.e. through the **space-time** of the Israelite self-image! The liberation from the yoke of Egypt by Moses, this salvation from incapacitation, heteronomy and subjugation, it first defined that inner spiritual calling, i.e. a transcendent-immaterial Claim of that came before, this Claim is owed solely to the all-unifying spirit of the living enlightenment! But Moses' opponents, who denied submission to his spirit of enlightenment, defined their negation with the claim to subject everything foreign to themselves.

Moses achieved freedom from Egyptian bondage solely through spiritual superiority, not through sorcery, gambling, or other trickery. He impressed the rulers with his inner wisdom, his greatness, his sovereignty and his character, which they didn't know how to counter and so let him go. But Moses had opponents among his own people who didn't know what to do with the unknown freedom. The path through the desert was rocky, supplies were difficult, and the destination was not visible. The corrupt guards, the flayers, pashas and sadists fared better in Egyptian custody than they did under difficult and uncomfortable conditions. Under Moses they really had nothing to say, they missed their obscene privileges and therefore did not change, but retained their inner wickedness and malevolence, i.e. that immature, powerless and perverse "hubris" of blasphemy. They remembered very well the system of the Egyptians, where a minority controlled and plundered the vast majority, and intended to copy this way. They conspired against Moses, mobilized and incited a part of the people against him and went to revolt when the latter was in silence. The dance around the golden calf was the birth of **Semitism**, which was turned away from the spirit of Moses and over time occupied the people as a dark evil spirit, hiding there, disempowering and controlling them. Moses didn't know how to prevent it. Before his death, he broke away and let the people go on alone, as evidence that, as an **anti-Semite**, he was never a **Semite**! Semitism has controlled the people of Israel to this day, i.e. for thousands of years, because they allow it.

This description also reflects the weakness of Moses, who did not know the answers to unite the people in one spirit. As a result, he did not reach that promised land, but instead let the people move on in those evil spirit, which has since found no destination. Since then, **Semitism** has been hiding in Judaism, always enriching itself and abusing the people of Israel with which consent. **YES**, Judaism camouflaged Semitism, kept quiet about it, allowed it to happen and still allows it today and is therefore undeniably responsible and complicit in writing. And this tolerance of Semitism among the people, **YES**, it is partly responsible for all the harm that the Jews left behind or experienced in their history. Since then, all persecution and violence, all pogroms, hunts and excesses against Judaism, as well as the modern Holocaust, **YES**, all these attacks are due to that common madness, i.e. that omnipresent **lies and deception**. The Jew is not a victim, but only, actually and undoubtedly the perpetrator of all his sufferings, which can be defined as the result of a single cause. **YES, Semitism** is the cause of the martyrdom of Judaism. And there is nothing Semitism fears more than the Enlightenment and anti-Semitism.

So

The French Revolution of 1789, which opened a bloody path to the cry of "liberty, equality, fraternity", this revolution subsequently formulated a new constitution for civil and human rights. And from now on, these rights also applied to all of the approximately 40,000 Jews living in France, who had previously only been tolerated. Sometime after this, in the 1790s of the 18th Century, the word "**Anti-Semitism**" was coined, proclaimed and written down! What is hidden here?

Listen and look

I want to keep it short:

The **French Revolution** of 1789 has nothing to do with Jean-Jacques Rousseau, nothing to do with Voltaire and nothing to do with Immanuel Kant. Rousseau and Voltaire had already been buried for more than 10 years at that time. The corrupt lawyer Maximilien de Robespierre, as initiator, agitator and rager, was deeply merged with the revolution. Corrupt because he followed his interests and changed sides again and again as needed. Although Robespierre was friends with Jean-Jacques Rousseau during his lifetime and was fond of his enlightenment, he did not even remotely understand Rousseau intellectually. This reveals Robespierre's deeply hateful delusion that all means are permitted to achieve the goals of the revolution. This misconception has its origins in **Semitism**, which has truly defined and determined the murderous **space-time** of Europe for the past two thousand years, i.e. in **possession, coin, appearance and credit**. The Jewish banking houses certainly knew how to supply numerous royal and noble houses with money and weapons over the centuries, and also knew how to corrupt, dominate and put them under pressure in this way, which repeatedly led to murderous pogroms. All wars were always worthwhile, profitable and beneficial for the insatiable donors and lenders, insofar as they secretly expanded their influence and deepened their presence. Whoever needed the coin for a minor or major mess or perversion, rang or knocked on the Jews' door. If there was sufficient guarantee, the loan was neither too big nor the profit too small. All colonization, as well as the plunder and enrichment that followed, followed the slogan: "**Grow and multiply and subjugate the earth to you**". Jewish **Semitism** globally took this offer seriously and left nothing, then except burned earth.

Abraham Lincoln once said: "**If you want to know the character of a person, give him power!**" By that time, not only had the indigenous Indian people of America long been extinct, but the supposed character of the conquerors had also rotted, decayed and been buried. The Jews had once again grown and not only multiplied, but also expanded their calving in the banking houses. All US presidents certainly knew the character to which they owe their office, especially the Democrats. As soon as he took office, the Nobel Peace Prize was awarded to a heavenly drone warrior, and this in the name of **God-Idol-Mammon**! Every drone fills the money bag.

With the French Revolution, Jews grew and multiplied in France and then beyond. Napoleon visited Russia with a large company in order to breed and educate her for Semitism, but met chance and was taught otherwise. As a result, he was encouraged to recover from his aberrations on a distant island and to practice self-reflection. After the Second World War, the Tower of Babel grew another floor. Germany was converted, expanded and deepened as a labor and concentration camp, the people, in a new constitution, were bred according to the coin, the media was brought into line or filed one tongue, the right to maximize profits of a minority was firmly anchored and rewarded, and for the majority was prosperity publicly praised and emphasized, just as all adapted and identical freedom of expression was allowed. However, counter-speech, contradiction and negation was as hate and incitement to the people dogmatized and criminalized.

The introduction of the euro then finally placed Europe in the insatiable maw of the hegemonic global players, who categorized the individual nations as locations and ranked them depending on their performance and growth. Big industry supplied everyone with **Illusion** and blessed itself with insatiable profits! Semitism then greedily, blindly and deafly advanced further east! **Coin**-ghettoization as globalized colonization. Growth and propagation beyond all borders. Blooming landscapes for heads and tails. Far from all restraint and reflection, only obedience, duty and march count. Anyone who is not corrupt is called stupid! All elitist madness has been awakened and cannot be stopped! And now the control is out of control. The Turn of the times is now the name of the rampage, as a colorful traffic light somewhere and hopeless in the middle of nowhere, it stands as a question mark at the End of a dead end, switched to dark green. There is no road or rail next door; neither answer nor direction. Capable of war instead of peaceful is now the idea and slogan of growth! And the weapons are already rushing forward, forward to the front! Enemies are everywhere! Europe could die! So let's save Ukraine! Because Babel must live, even if we all have to die! **So the evil spirit of Semitism flares up!**

**Arbitrariness defines absolutism and fascism,
sticks to the ignorant, stupid lip and is unteachable!**

I testify to the global collective of all peoples and nations, at the ear of the universal unity:

The faith of the good ones is the refuge of the evil one!

This certainly and undeniably applies to the stationing of the Bundeswehr brigade in Lithuania. This military **invasion** undoubtedly represents an infamous **aggression** by the West against Russia, and emulates the incitement **offensive** on the Kiev Maidan at the End of 2013, which degenerated into a violent **coup** at the beginning of 2014. Both point to the Semitic **colonial hegemony**, which is directed against everything that does not belong to the Western Alliance and is therefore subject to its **subjugation**! This is not about security and defense, but solely and undeniably about expansion, intensification, multiplication, appropriation, control and securing of the biblically documented, defined, emphasized and sworn dominance of a perverse minority, which now also has Lithuania as a location barracks intended for their "**Tower of Babel**". This Lithuanian **extension** to the Western Mint Ghetto, this **porch** unmistakably points out and testifies not only to the immaturity of all those responsible for politics in Lithuania, who are not only deeply stupid, but also leave the thinking to those who don't even know what it actually means is. I therefore advise the Lithuanian government to resign as one, because their stupidity and uselessness is not only not needed, but is also just a cost factor.

I bear witness to you

This **Bundeswehr brigade** in Lithuania undoubtedly defines the absolute **evil** in the supposed good. **YES**, this completely rotten league reveals and testifies to the thousands of years of mentality of the **Judeo-Christian Occident** or those mutation of the **Western Alliance** that stinks to the limitless heavens!

This community of interests defines the nuclear abyss, the undisputed furthest and oldest calamity of the collective of nations. This marching order preaches security and yet wallows in the evil spirit of the darkest absolutism imaginable in human history. Those who provoked, prepared, opened the war and as a result are arming and fueling it to this day, and therefore absolutely have to win it in order to anoint their **lies and deception** as a collective value. There is no **lying** that is more insidious, deceitful and perverted. These most perverted of perverts sanctify their arbitrary scrapie by bringing Russia into their own and homemade conceit! They throw their thousands of years of unbearably smelly manure at the enemy in order to distract from their own bestial stench. And so this Semitic mafia needs and uses the Western-provoked feud in order to abuse it for its own canonization.

I bear witness to you again

The evil spirit that defines the special tribunal "**stationing of the Bundeswehr brigade in Lithuania**", this satanic evil spirit has certainly and undeniably created a global hellish ghetto on earth over the millennia! And this ghetto undeniably defines the most brutal and unbearable labor, concentration and death camp in the universe, this as a hostile coin colony, as well as its deeply murderous barracks, as a guarantee for a nuclear apocalypse.

And so I ask the perverted of the perverts

Was or is there a more credible revelation, presentation and production of a **war criminal** than the **Western Alliance**, i.e. the **Judeo-Christian occident**? Is there anything even remotely comparable in human history? Any search for clues should be much easier and more bearable here than in Ukraine!

And I continue to ask you

Do you really believe that someone can clarify the present of another who has not previously clarified his own past? Do you really believe that someone whose own injustice stinks to the limitless heavens can ensure justice among others? Do you really believe that someone who doesn't know how to transform his own manure, can do this with others like him? Do you really believe that a polluter who spreads his manure all over the globe can clean up Ukraine, Gaza or some other evil? Do you all really believe that your own and homemade Gully shit is worth more just because it smells so overwhelming, monumental and unbearable because of its age?

Well then!

If you all believe that, then you are indeed even more perverted than the most perverted of the perverts!

I'll tell you something

The most perverted of the perverts are those who believe they can and may judge others! I call them the worst whores and pimps of true evil! Nowhere is arbitrariness, absolutism and fascism defined more banally and cruelly than in the human system of jurisdiction and jurisprudence. No facet is more toxic and rabid than the arrogance of a supposedly all-powerful person. There are no words for this truly satanic evil, even the strongest words cannot be accurate here. And even if my choice of words seems vulgar to some, I would actually rather express my testimony here, more satisfactorily and exclusively with those words, whose much rougher, cruder and harsher. **Do you know words like that?**

Truly I say to all you

All violence is always injustice and therefore cannot define, include or even evaluate law. So whoever affirms violence and uses it directs all violence against himself and reveals his injustice to **EVERYONE** in **everything**.

All politics won't change anything! Nothing and never! Rather, it will do everything to maintain its own purpose and to preserve what has been achieved, and will thus deepen, expand and darken all evil. The **evil spirit** of Semitism is rotting in the Western community of states, without control, without knowledge, without meaning, without answers and without salvation.

Whoever coined and wrote down the word anti-Semitism in the 1790s of the 18th century, whoever it was, that person knew what they were writing. And if it was a Semite, he did so in that oneperception, as well as as a warning to those like him, that every anti-Semite and its enlightenment represented a serious danger for all the hidden lies of their contemporary and historical injustice. However, if it was an anti-Semite who wrote down that word, he certainly and incontestably knew about the conspiracy and curse of **Semitism** in the murderous lie of the French Revolution.

And I ask all you again

Do you really believe that someone can clarify the present of another who has not previously clarified his own past? Do you really believe that someone whose own injustice stinks to the limitless heavens can ensure justice among others? Do you really believe that someone who doesn't know how to transform his own manure, can do this with others like him? Do you really believe that a polluter who spreads his manure all over the globe can clean up Ukraine, Gaza or some other evil? Do you all really believe that your own and homemade Gully shit is worth more just because it smells so overwhelming, monumental and unbearable because of its age?

So and verily, verily, verily

My **word** is in the world and is called Written in the dust. No one can pick **it** up and I take nothing back! Everything catches up with you, inevitably and inevitably. All politics have failed. Without exception. If you go with me and turn back, you will experience eternal salvation. Everything else is your problem, your responsibility, your destiny!

The power of all people is powerless. Anyone who lies has already failed! Anyone who hides is afraid! Whoever believes does not know! Anyone who elevates themselves above others has no dignity! Anyone who glorifies violence teaches hate! Anyone who prohibits has no answer! Whoever preaches is gossiping! Anyone who abuses is useless! Anyone who punishes is ugly! Anyone who judges is lazy! Anyone who exploits is worthless! Anyone who runs away won't escape! Whoever turns himself in will never be lost! Whoever conquers death lives!

The named world will not survive! She is subject to decline! Humanity can see, stop and then turn back, or it will destroy itself and leave the earth with its space-time world forever! If you all continue in madness, humanity will march into a nuclear inferno of unimaginable proportions!

Verily I say to you all, and you should listen carefully to me

Those narrow-minded rulers and supposedly powerful people are nothing more than a self-important bunch of silly and useless people, superficially chattering good-for-nothings, powerless impostors and noisy Cardsharp. But in order to maintain their fake masquerade, which covers their inner cesspools, for this no means is too dirty for them! Their projection will make visible everything that is repressed, hidden and concealed in the hopeless depths of fear since the beginning of the world!

I'll tell you all something:

The Christian church always says that people should fear God! But which God is we talking about here? Which God should man fear? Certainly it cannot be the **God of love**, of goodness and mercy. Because no one has to fear a named God of love. **Unless he fears love!** But which person fears love, even if the first thing to do is to define who or what a person actually is?!

Truly I say to you

You should more than just deny all churches that preach such nonsense, but rather bypass them as far as possible in order to say goodbye to them from your eyes and ears, so that that love then finds you, in which all mercy and goodness lives and grazes! Those soulless words of the Christian churches only pursue the one goal of binding those seeking to themselves in order to justify and preserve their own temporal existence. My call the churches **Sodom and Gomorrah**. They are not just the graveyard of colonization and inquisition, but the one pyre of lies and fear! The God of the Church is a man-made idol, the lying structure of a dark conspiracy, this conspiracy once betrayed and falsified the Nazarene, and has since abused him as a puppet!

I'm telling to all you

Don't just avoid the churches, but also all political parties. Because their preachers even believe that they themselves are the gods, and even bigger and more powerful than the universe. Even the living creation is horrified by whose megalomania! These fuzzies follow a rabid monster who is so dark that he can no longer find his way even in his own home-made darkness and has lost control of his all-powerful impotence. All ideas of their previous rampage, **YES**, all attempts to find a way out of their failed turnaround, i.e. to get past that coalition traffic light and turn onto any street, have so far failed due to the lack of leadership. Everything is dark, there is no light anywhere, not even a little light!

I'll tell to you all something else

If someone in "Germany" procures a weapon for someone else's "crime," then the person who procured it is said to be complicit in the crime. However, if this Germany supplies large quantities of weapons, ammunition and other items to a belligerent foreign country, then this illogicality is not only suddenly right, but even holy! And this even though the Federal German Constitution clearly prohibits the delivery of military equipment to any war zone. Of course, those responsible always have justifications ready, which they firmly believe in and which they believe they have to defend with all their fervor; but they do not realize that they are only justifying their treason, their perjury, their hypocrisy, their duplicity, their breaking of their word and their infidelity, so expose and witness hypocrisy and phariseism.

And so I could go on and on and on, just as all those Pharisees and scribes go on and on and on with their disastrous nonsense! But I don't like it anymore and I don't want it anymore! I find and open the way for all those who want to be found! Who else am I supposed to find if not those who want to be found? Everyone gets what they deserve! The universe is fair. But never the human! And certainly not those who are less than the human. Only the person who knows from the greater and sincerely seeks it is a person! A person is, who is ready to let go, to sacrifice everything smaller for the greater! Only those who know when to stop are able to really start and finish something. Doing and not doing are one and belong inseparably to each other! Only those who can listen have something to say. Anyone who doesn't master silence doesn't know how to speak either.

I testify in the utmost sincerity and in being-conscious responsibility

I am all retreat's path, target and target-way

I reveal, witness and say to the global collective of all peoples and nations

I am the enlightenment beyond and before all reason, and reach further than all horizons. I contain, define and testify to the universal emptiness before all words and names, and thus reveal the one, only and whole spirit of spaceless and timeless being, the sacred womb of all life.

And I rest in the dust whose smallest grain I have passed through to reach the Eternal bosom, to arrive there, to rise with **Him** and to follow His call. So I am **ONE** in **father** and **mother**, and in **eternity!** So I am out of the world that she is not in me. And I fear neither you nor share your fears with you!

And so I tell you

Only the truth unites. And where the truth unites, there is no submit, no bearing, no enduring, no plugging in, no accepting, no tolerance, no swallowing, no suffering and no getting over it. **YES**, here **everyone** is carried, loved, acknowledged and hugged in **ONE**.

Verily, verily, verily

Everything is wrong that does not serve salvation. Man is not the standard. Being divests itself of all self, grazes in the light, needs neither appearance nor possession and outlasts all madness sound and smoke. A personality is only someone who doesn't have one. Big and mighty is only what doesn't tangibly encompass everything! Wisdom is greater than patience. Satisfaction goes further than zeitgeist, dogmatism and unteachability. Life's womb contains joy and bliss, truly timeless in the face of birth, becoming and death. Horizon is always the horizon of the smaller.

Neither names nor titles means more content and weight, because the backbone of a sincere upright attitude. Dogmas, norms and rules require the cadaver obedience of the minors and the disoriented. The mature one, however, stands rocky on the earth, walks steadfastly and safely in the spirit of the Eternal, and never deviates from the light path! That greatest thing is nameless, und dwells in the smallest thing, that only those who step through the speck of dust reach the boundless sky.

Providence is greater and reaches farther than any religion. Religion is footwear, never the path. With the wrong equipment you will never find the entrance to the path. Lies, coins, weapons, violence, ignorance and faith are for every religion, Yes, for every spirituality, a certainly insurmountable barrier on the sacred footpath of the Eternal. The truth never fires its invincible powder, but knows how to blast and tear down every bulwark with its clear and triumphant wisdom.

My word is valid in the boundless sky of the only and sacred universe, in whose bosom the timeless earth is embedded.

And I don't lie. I never lie! And I certainly open up to anyone who knocks on my door. Anyone and everyone!

And don't persuade yourself and don't let anyone persuade you that this is one hate speech. There is no hate in me, not a trace of hate and its excesses. Not even the breeding ground of hate is found with me.

Look and hear

Everything belongs to **everyone**. And because it is so, because it is eternally and unchangeably so, that everything belongs to **everyone**, therefore nobody can sell anything and nobody can buy anything. So, everything belongs to **EVERYONE**.

And it is here Written for eternity

And is it revealed and testified to the German people, as well as to the global collective of all peoples and nations, as Holy Providence, as a message of enlightenment, truth, liberation and Unhurt. Only the return to being and life, Yes the turning to the essence of timeless nature, only this inner path is enough to go through and survive. And is there no alternative of healing transformation. Neither in heaven nor on earth.

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends and girlfriends of **enlightenment, light, truth, life, salvation** and **joy**. **YES**, I am a lover, a knower, a seer and an embracing one.

Yes, live the EARTH

without **Semitism**

I AM. And I lie bedded in the dust - herein my word written stands for eternity.

And my word stands the boundless heaven and on the timeless earth!

And my name is
