The Unborn speaks

And am I the voice of the universal all-unity

Verily, verily, verily

The human being always fail for three reasons:

1. He overestimates himself
2. He only talks to himself and only listens to himself!
3. His god is called Echo!

And I testify to you

Man is not the standard! His supposed right is always wrong! Semitism is the worst fascism! The religious and political elite are indisputably responsible and guilty for all global disasters! Capitalism has failed! Western politics is beyond rabid! Olaf Scholz and his traffic light coalition are ghost corpses, characterless, pathological, masochistic and perverted, YES, unprecedentedly degenerate, the naked horror! Misery on earth will increase massively every hour!

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends and girlfriends of **enlightenment, light, truth, life, salvation** and **joy**. **YES**, I am a lover, a knower, a seer and an embracing one.

Yes, live the EARTH

without **Semitism**

I AM. And I lie bedded in the dust - herein my word written stands for eternity.

And my word stands the boundless heaven and on the timeless earth!

And my name is

Gerhard olinczuk treustedt

The Unborn, Nameless, Unnamable, Holistic and Indiscriminate

**Anti-Semite, Anti-Christ, Anti-capitalist and Anti-fascist
Lover, Knower, Seer and Comprehensive**
