The Unborn speaks

And am I the voice of the universal all-unity

Verily, verily, verily

A fascist and fatalist is never a messenger of peace

Joe Biden's farewell is also a farewell to and for Kamala Harris! Biden's supposed canonization only reveals and testifies to their common lies, the documented warmongering as an expression and confirmation of personal and global disorientation, as well as in the consensual lack of answers regarding the threatening disunity, degeneration and unstoppable decline of their own national community, which is beyond doubt and guaranteed deeply reflected in the spiritual decomposition and decay of the political mind!

Volodymyr Zelenskyj is finally finished! His intervention in Russia not only puts him on the same level as Vladimir Putin, but puts his head under his boots! Zelenskyj reveals to the world the self-destructive idiocy of a truly deeply degenerate national murderer!

The traffic light coalition around Olaf Scholz must be dissolved!

The first step towards calming the situation in the Middle East is Israel's comprehensive withdrawal from the Gaza Strip, i.e. the initial unconditional withdrawal of the army with all its equipment. This is the only way to build a ceasefire that includes Lebanon, Iran and others. The border must be closed except to ensure supplies! All contacts between Israel and the Gaza Strip must be canceled. **All!** As a result, all shelling stops so that all hostages can and will be released! Benjamin Netanyahu and his followers must resign!

I intend to take part in the upcoming federal election with the **AllianceGRAL**. However, this still requires friends and girlfriends who agree and credibly join the alliance. In the last federal election, our alliance was excluded because we had too few members. The Federal Returning Officer took the confused view that it is not the content that counts, but the mass, i.e. the barrel!

*Is fascism returning? Or is it already there, with Trump, Orbán, Höcke? And if so, could it disappear again? About trying to recognize evil: **The SPIEGEL cover story.***

This presentation not only shows that the authors cannot even define **fascism**, but that they include and serve it negligently, carelessly, thoughtlessly, carelessly, adventurously and irresponsibly, i.e. are used by it to put it where it wants now acceptable. In this way, these authors not only embody evil, but are obsessed and controlled by it, and thus make a Hitler possible. **YES**, they are the real fascists. They just don't know it!

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends and girlfriends of **enlightenment, light, truth, life, salvation** and **joy**. **YES**, I am a lover, a knower, a seer and an embracing one.

Yes, live the EARTH

without **Semitism**

I AM. And I lie bedded in the dust - herein my word written stands for eternity.

And my word stands the boundless heaven and on the timeless earth!
