The Unborn speaks

And am I the voice of the universal all-unity

Verily, verily, verily

The unborn is the only friend of all that is born

Only the unborn knows about everything born

Only the light dissolves every shadow

Only the truth knows every lie

Only love conquers all hate

Only pure water is fair

Here I comment on the saying of the day on Bayerntext: Board 501, from today, Monday, August 26th, 2024

The doctor can burn his malpractice. The architect must encourage his clients to plant vines and ivy.

Frank Lloyd Wright

And I witness to the global collective of all peoples and nations

So to every person

I burn the Old Testament and the New Testament, and lay their ashes for eternal ashes!

Before

Before the soul can laugh,

she has to cry her pain.

And the tears wipe away the sorrow,

like the rain the dust of the past days.

And how the water nourishes the germ,

so will awaken in all you,

what can only grow in true earth.

Verily, verily, verily

So

And I now give all you the answers of the **AllianceGRAL**, as the **SEED** of **holistic salvation**, which is rooted in the **lup** of the **unborn** and inhabits all **life** as a **holy** and **inviolable sense**.

I want all you to stand up consistently, join the GRAL Alliance and then walk with me upright and non-violently! Credibility and seriousness attests, as a girlfriend and friend of my word, certainly the person who follows my call, and attests to this with a correctly completed, signed and delivered membership application. For I am present to end all suffering. And I know that I am the only one in the boundless heaven and on the holistic earth who can and can make this known. For the spirit that I follow, that innermost spirit is truly present, comes to meet me and follows afterme.

Therefore applies

1. Creation of a political-democratic majority that achieves the people's leadership in Germany.
2. Overthrow and dissolution of the elites.
3. Debt relief for all households.
4. Free living without rent and additional costs.
5. Transformation of the performance principle into a guiding culture of actual needs and justified necessity.
6. Abolition of money. Life doesn't need money. Everything belongs to everyone.
7. Building an intact living and production culture.

8. Massive reduction in energy consumption. Immediate abandonment of coal energy and other technologies that are hostile to life. Sun, wind, currents and natural, timeless primal sources are the creators of future energy needs, which will be many times lower than today's wasteful consumption.

9. **Spiritual** enlightenment and liberation Abandonment of pressure to perform, as well as school, learning and education madness.

10. Comprehensive disarmament and demilitarization. Cessation of war weapons production. Marking for all peoples and nations. Credibility, peacefulness, strength and greatness require no weapon. Content, value and weight are solely of a spiritual nature, are witnessed in non-violent action and are only measured by this.

11. No effort will be spared to heal the earth from all the evils of pollution on earth, water and air. The essence of timeless nature, whose law is the only standard, must be respected without exception.

12. Reorientation in car production and use.

13. Conversion of ownership interest into user interest.

14. Healing therapy for illness, infirmity and care.

15. No economy oriented towards profit and enrichment. Abandonment of competitive thinking, as well as the profoundly hopeless plundering of nature. Technology and industrial production are designed in such a way that they do not pose a threat to living creation. No animal testing, no unnatural animal husbandry, no genetic manipulation and no interference with the genetic material. No inferior food, no neurotic consumption, no incapacitation and no arbitrary stupidity. Collective dissolution of all repression, addiction and dependency: is called transformation.

16. What concerns **everyone**, let **everyone** know. No secrets and no negotiations behind closed doors. No lies or deception, no manipulation and no misinformation in, with and through the media.

17. End of war, flight, hunger and poverty all over the earth. Life-oriented achievements and all technical possibilities should then be accessible to **everyone**.

18. These written words testify to the clear claim to resolve the ideological-political-religious chaos, i.e. all global injustice and suffering, consistently, uncompromisingly, thoroughly and fairly, in order to overcome all hopeless disorientation and lack of leadership. The law and order of creation are eternally predetermined and firmly rooted: **Faithful, whole, holy, indiscriminate, merciful and inviolable**.

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends and girlfriends of **enlightenment, light, truth, life, salvation and joy. YES**, I am a lover, a knower, a seer and an embracing one.

Yes, live the EARTH

without **Semitism**

I AM. And I lie bedded in the dust - herein my word written stands for eternity.

And my word stands the boundless heaven and on the timeless earth!

And my name is
