The Unborn speaks

And am I the voice of the universal all-unity

And I testify to all you

Verily, verily, verily

Success defines human failure

I would like to comment on the "Quote of the Day" on ZDF-text, panel 550, today, Saturday, September 14th, 2024:

Perhaps women will play a role in the revolution of our society that history has never seen before. **Kate Millett**

But I tell to all you

Listen and look, even if you don't understand:

Only those who define the man, know about the woman. A man and a woman will only follow this spiritual greatness. Whoever doesn't know about this, **he/she** is only following the corruption of vanity. Therefore, so far no revolution has achieved a real change towards salvation, but has only determined the **Continue-So**. The conditions on earth testify to this incontrovertibly. Wherever a man or a woman rise up and revolutionize, here there has been a war between the sexes ever since. And here the spirit of greatness, beyond man and woman, is never found

Sarah Wagenknecht is not the answer. She has already failed. **Vanity and success progress and fail together!** Like Merkel, von der Leyen, Strack-Zimmermann, Baerbock and their ilk, to name just a few of the German vanities. I don't want to list the European ones here!

By the way:

Woidke is certainly not a great. If he were big, he wouldn't need Kretschmer! **NO**, Woidke is not a great! He's a fuzzie and already gone!

I bear witness to all you again

There is no need for religious, political or ideological leadership!

All that is required is spiritual leadership, the leadership of one spiritual greatness!

Just what you all need is the answer of a greatness, beyond all religion, all politics and all ideology!

And once all you understand that, then you will also understand that I am the only one who can and will lead Germany and Europe!

And until you understand this, everything will continue go down! Everything!

Because

No religion, no politics and no ideology can and will save all you!

And my word stands

And my name is
