The Unborn speaks

And am I the voice of the universal all-unity

I want to talk about what's happening in Lebanon

And I bear witness to the global collective of all peoples and nations

To the leadership of Hezbollah

Semitism defines the fascism of Judaism, and is very much the worst fascism in history. This fascism finds its origins in the writings of the Old Testament, i.e. in the religious madness of ultra-Orthodox Judaism, and continues hopelessly in the New Testament of Christianity. The formulated goal of this aberrant and abstruse conspiracy defines universal control, i.e. the appropriation of the earth. This insane and paranoid intention runs as a red thread through human history, and not only cannot be averted or even defeated with any form of armed defense against Israel, but is always and fundamentally translated and interpreted by the Jews as confirmation of their claim. Self-reflection is not only unknown to the Jews, it is unthinkable and forbidden with their **God**. You only hear **its** echo. **An eye for an eye, a tooth for a tooth!** No other word game defines the absolutism of ultra-Orthodox fascism more clearly.

Listen to me:

Israel's rabid war in Gaza has a prehistory, i.e. a spatial-temporal and momentous cause. Everyone knows that Israel humiliated and terrorized Gaza for decades. And those responsible knew in advance about the impending attack by Hamas on October 7, 2023. They let it happen because this brutal escalation was provoked by Israel and desired by the leadership. Israel thus used and exploited Hamas's escalation for a truly comprehensive and murderous genocide, in the knowledge of its military superiority, and without the slightest scruples, even regarding its own losses! This also defines fascism.

The war in Ukraine is also due to Semitism, the Jewish fascism that infects and dominates the Western Alliance. The West attacked Russia at the beginning of 2014, for all the world to see, with a coup on the Maidan in Kiev. Then Ukraine was rearmed by the West for 8 years, Russia was snubbed in this way, and a military conflict was wanted, conjured up and provoked.

I'm telling all you

Surely you must not strike back against Israel, because they desire it. **YES**, with their insidious terror they want to provoke an all-out war, like in Gaza and also in Ukraine. But if you keep quiet, the terror will only belong to Israel, because they are the real terrorists. I have previously called on you not to carry out military strikes against Israel. I know very well that all your ears are not deaf and your eyes are not blind, like the Jews. But despair and anger are the furthest opponents of a holy insight, and confirm the supposed victim as a malicious perpetrator. The only winner is the one who refuses all violence and quietly withdraws in the encounter with the inner healer.

Truly I say to allyou

I walk beyond space and time and know the path to salvation.

And I bear witness to the global collective of all peoples and nations

No religion, no politics and no ideology can and will save all you!

And certainly not the noise of the gun fool

And my word stands

And my name is
