The Unborn speaks

And am I the voice of the universal all-unity

This is a message to Iran, to Lebanon and to Hezbollah

And I bear witness to the global collective of all peoples and nations

## Testament of the Unborn

### Man is a spiritual entity

Verily, verily, verily

**Am I the face of those who come towards me and the back of those who follow me.**

I'm telling allyou

Anyone who wages a war, so who approves of a war, takes part in it, supports it and nourishes, it is never **human**. **No**, these are not **human**, they truly are **fascists, bastards, degenerates** and **pervers**.

## Fascism

Injustice has many names.  
However, when a name exalts its name above another name,  
in order to determine the law  
so its injustice deepens.  
Because it is always and only injustice that wants to be right.  
And it is always the injustice of injustice,  
which demands justice.  
But as long as wrong wants to be right  
and as long as its injustice defines justice,  
so long wrong will be called right,  
and its injustice justice.

So

The righteous acts justly and creates justice

## Parable of false peace

Two warriors fight against each other. The fight had been going on for a long time and was repeatedly interrupted by many ceasefires, which were considered a time of peace by all those involved. But the opponents always and only used these interruptions to heal injuries, gather strength, test more sinister weapons and try out new fighting techniques. Everyone consulted with their friends, looked for the enemy's hidden weaknesses and came up with additional skills and strategies. But no one thought about or looked for ways to end the senseless and disastrous war. After the battle always meant before the battle, and the fever of war increased from theater to theater. Finally one manages to kill the other. He noisily declares his victory and proclaims to everyone present the long-awaited peace that has now and finally been achieved with and through him. "What peace are you talking about, you murderer and manslaughter?," asks a listeners standing by. "I don't know what you mean," replies the despot, rabid, argumentative and incompatible, "you see my opponent here, slain in his blood. So I am the clear winner, the war is ended and peace is given". "But you're still here," the stranger objects, "how can there be peace? The enemy that you believe you have slain here still, he lives furthermore within you. And this more powerful than ever before!"

And the warrior raised his sword against the stranger, this who suddenly withdrew.

**I walk beyond space and time  
I am before all words and before all names  
What carries me, comes to meet me and follows me**

## Freedom equals peace

Freedom embraces the unity of heaven and earth  
Freedom has neither face nor back  
Freedom travels without luggage  
Freedom is the greatest hometown  
Freedom is reflected in the nature of water  
Freedom is deathless life  
Freedom cannot be locked up  
Freedom is not real and does not lie  
Freedom means the warm light of the day,  
the cool breath of the wind  
and the rich scent of lilacs  
Freedom is the only way to true life  
Freedom cannot be bought or sold  
Freedom is spirit without reason  
Freedom adorns the face of creation,  
opens up the beauty to love  
and nourishes the happiness of the brave  
Freedom is free from time, guilt, greed and fear  
Freedom is sincerity's truest friend  
Freedom is the sweetest grape of wine  
Freedom does not thirst  
Freedom means life in peace  
Freedom means I am

**Freedom carries that spirit whose being is aware of its eternal presence and responsibility**

Truly I say to all you

### **A fascist is the worst enemy of live and peace**

Anyone who starts a war and wages **HE/SHE** is always a **fascist**, as is every person who affirms, supports and fuels the war. Anyone who promotes war, in whatever way, is always and everywhere embedded in hatred. And whoever is bedded in hate, he then sees every opponent as an enemy and as a result agitates against every contradiction.

So I repeat

**War finds no Peace  
No - Not - Never**

Truly

**Revenge and retaliation are always injustice  
The alleged victim is the worst perpetrator**

**I am and know the path of salvation, YES, I am and know the path to true peace**

And I bear witness to the global collective of all peoples and nations

**No religion, no politics and no ideology can and will save all you!**

And certainly not the noise of the gun fool

**And my word is valid in the boundless heaven and on the timeless earth**

And my name is
