The Unborn speaks

And am I the voice of the universal all-unity

Dear ladies, dear gentlemen

I have revised and slightly corrected my letter text: **End** 1068 from this morning, Tuesday, Oct. 8th, 2024, at 1:11 a.m.

I'm attaching it in the appendix!

I advise the media to be serious, which is unknown in politics. The crisis is not only serious, but already off track. It's worse than in Weimar times. Violence does not solve problems, but deepens them. Politics will not be able to get anything under control because everything has already slipped away from them. A surface will never master that depth of which it knows nothing. The consequence will never resolve the cause. **To preserve means to be defeated.**

**I know what I'm talking about.** My friendship goes further than 30 years of ignorance and exclusion.

**I am not your victim.**

**Everything catches up with you.** Either my friendship or your enmity!

I announce a final message for the next few days.

But here already.

The tenor, i.e. the essence of all Nobel Prizes 2024, **YES**, the leitmotif was and is: Keep going! **Keep it up!** Joe Biden also announced this when he was awarded the order by Frank-Walter Steinmeier. All of the rot was present.

Everyone responsible for awarding the Nobel Prize, especially for the Nobel Peace Prize, not just the committees, they believe they are smart, clever and superior. But they are all in rot, **YES**, in deep rot. And the stench of their rot extends beyond all horizons. And their rot is reflected not only in the massacres and genocides in Ukraine, Gaza, Lebanon and elsewhere, but also in the gun craze, as well as in climate change and all its consequences.

I have noted, that "**DER SPIEGEL**" also described the awarding of the Nobel Peace Prize as naive.

I'm telling all you

No religion, no politics and no ideology will save allyou. Those responsible for the global disaster will not stop. The corruption goes further than most of you realize.

The Bible is the dogmatic forerunner and guide for those responsible for global madness. The horror of their paranoia is laid down here. And they cling to this with reckless rabid fury. They are deeply insane, obsessed and unteachable. They follow that **Semitism**, that worst conceivable and most absolutist fascism in time- and human history. **And there is nothing they fear more than the Enlightenment!**

That absolutist "**business as usual**" is not only found in "**An eye for an eye – a tooth for a tooth**".

I know what I'm writing about here.

Thanks

Oh, I'm glad

Oh, I'm glad  
and I'm so happy;  
That not forced  
what I managed.

When everything is done,  
and this good;  
will only fail,  
who does more.

If I want something,  
so I go there;  
Whoever appreciates me  
knows where I am.

Whoever goes ahead  
also stands alone;  
His name is Sovereign,  
is always in being.

Whoever gropes in circles  
is without a goal;  
He doesn't know anything either  
and too much of this.

Always loses,  
whoever lies once;  
Anyone who laughs at this  
submits to the St. Vitus Dance.

He who exalts himself  
is never powerful;  
He puffs up in putrefaction,  
and this magnificently.

The trees are leafing,  
they let go;  
They know each other wise,  
they know each other great.

Anyone who knows the answer  
he also knows silently;  
Anyone who ignores this  
stays stupid forever.

I am the path,  
this one I go too;  
And I'm not mistaken,  
because I stand in the light.

I am the way  
before time;  
I am the way  
neither near nor far.

And whoever finds me  
looks at my back;  
Looks at my face  
and looks at himself.

## Rot does not ripen

Rot does not ripen,  
and she stinks;  
Their stench is powerful,  
and she limps.

Rot is compulsion,  
The Plight of Lies;  
Coercion is fascism  
Hatred, fear and death.

Rot is elitist,  
raised roar;  
She mold everywhere,  
global manure.

Rot farts mightily,  
roars with rockets;  
She makes noise with drones,  
Knives and machetes.

Rot kills,  
engages in genocide;  
Rot thinks his right,  
always in dynamite.

Rot rots,  
sooner or later;  
Because never is timeless,  
her always ugly singing.

Rot follows Continue-So  
fear other paths;  
Only that marching order  
is her duty and mercy.

Rot is without scruples,  
never plagued by doubts;  
She marches along and listen,  
what the paranoia tells her.

Rot does not ripen,  
is always without victory;  
Her lie failed,  
died before the war.

I'll tell you something,  
so listen to me;  
Deny the rot,  
and she dies in an instant.

Succeed does not require  
is already before the word;  
Successful before,  
already on site beforehand.

Alliance-Grail is the name of the path to maturity,  
Alliance-Grail is more than soap;  
Alliance-Grail means transformation,  
Alliance-Grail is the End of all rot.

Truly

**Rot does not ripen  
No, not, never**

**And the highest mountain of rot,  
he cannot defeat the one healthy and ripe apple**

I'll here clarify to all you again

Religious-political-ideological totalitarianism has brought humanity to the gate to the apocalypse. Their tyranny and despotism clamor into the boundless heavens. Drudgery and torture have reached a limit that the wildest imagination could not even begin to imagine. Stupidity and ignorance outshine everything. The worst parasites and parasites in human history cavort in the spotlight. They stand there and regard everything that has happened in their existence, which they do not understand because they stand so high and do not look deeply.

Listen and look

The Jews not only built the first atomic bomb, but also unceremoniously threw the first creations of their Semitic progress onto Hiroshima and Nagasaki. According to the logic of their despotic idol-God: "**An eye for an eye, a tooth for a tooth**", this means that the next attacks of their autocratic-absolutistic coronation will hit their own complacent house, and thus fairly testify to the Jewish autocratic self-image. **They started it**. The Nobel Peace Prize 2024 is solely due to this logic, especially since their home-made change in times gives every war right if it is waged in the way their political-moral-fascist self-defense determines and controls it. War is therefore no longer wrong, and every genocide is legal. All murder is defined, explained and justified in the media, meaning that all responsibility and complicity are not only discarded, ignored and rejected before the first shot is fired, but have long since been forgiven. Jesus Christ supposedly died on the cross for this, although he said: "**Do not throw your pearls to swine**". At least that's how it is written in the Bible, in Matthew 7:6. And yet Christianity claims that the Nazarene gave himself up to swine and took on all their guilt, for all past, all present and all future. There is hardly a lie more perverse than this biblical accusation. For Jesus of Nazareth, life was the highest good, and he knew the injustice of giving it up for something else, misusing it and throwing it away. He could therefore do no greater injustice than sacrificing his life for others or something else. So he never sacrificed himself. He was persecuted and murdered by those who raise him up today to nail him to the cross. **Every day**.

Keep listening and watch

As a result, those responsible made the enlightener Jesus a sacrificial lamb, to an idol, and then they raised him up to their heaven. **YES**, they raised him up with combined strength so that they could nail him more and more firmly to the cross with their Lies. Because they do this every day for more than 2000 years. **YES**, since then, united in one voice, they have lifted him up in order to nail him to the cross every day again, firmly and securely, so that he never ever comes down. **YES**, only as a corpse on the cross, only as a nailed carcass, only as a mute mummy can they endure, celebrate and worship their Jesus Christ. For if he came down from the cross, they would immediately be lost. All their hypocrisy, all their Lies, all their guilt, all their rot and their stench then rushed upon them, so that their noisy Armageddon drowned out all horizons. **YES**, no danger is greater to Christianity, no threat more extreme, than Jesus of Nazareth coming down from the cross and branding them. The Christians and their churches fear nothing more, than that Jesus is alive.

You all should realize that that God-Christ, that mortal sacrificial lamb, **YES**, that conspiracy idol needs all the many sinners to appear as a holy Savior. The more wickedly the Christian followers sin, the firmer his cross is standing. The deeper they sink into their opulent swamp of lies, the higher his heavenly glow rises. Therefore, they must continue to sin and do mischief in order to preserve their idol. For the more they rot, the more they need him. They not only nail him firmer, but themselves. The harder they nail him, the more perversely they can continue. The mutual dependence of this deeply conspired **Christ-idol-sect** with its **cross-mummy**, is borne out of that deeply perverse and hopelessly absolutist evil spirit that not only drove them through the colonial period. Rather with this inner bastard they also march through modernity, driven by that thousand-year-old self-deception, in order to conjure up and fuel a global calamity that has never before been so conceivable on earth. And the more they repress and defend their guilt, the more they fire up their supposed savior, that is, that corpse on the cross, which only reflects their hopeless fate. **Christ not as Savior, but as Executor**.

Hear and see another biblical perversion, which is actually even more perverted than perverted.

According to the Bible, Noah's God even caused and motivated a murderous genocide in order to anoint Noah. **YES**, Noah's God raised his hand against the living creation, thus against his own work, solely to exalt and sanctify that Noah and his clan. This raises the question of whether Noah was a psychopath, or was his god an psychopath? Or both? Who was whose servant? Did God command Noah, or did Noah appoint "his" God? I put "his" with goose feet to emphasize that possessive wording. Because all religions, i.e. the believers, usually speak of "their God", i.e. "our God" or "my God". This way of speaking occurs unconsciously and unmistakably testifies to the megalomania of the believer, whose self-image actually rises above the named deity. This clearly reveals, clarifies and even teaches that the named God is a creation of the believer, whose overestimation of himself reveals that deep and presumptuous stupidity. For this figure of speech clearly defines God as the believer's possession.

The gods-idols of the Bible are man-made; by the Jewish, so also the Christian, this is adapted to their self-aggrandizing and yet so limited self-image, and is therefore right and acceptable to the authors. Since then, man's gods were and are subject to their makers, making them even more miserable than man. According to the Bible, Noah's God raised Noah above himself, i.e. loved, appreciated and honored Noah more than himself. Indem dieser Gott Noah heiligte, verdammte er sich, also sein Wesen. Er war Noah gefällig und somit von ihm abhängig. Er vernichtete Noahs Feinde, weil Noah es wünschte. Thus it was made by Noah, was his work and tool, and was dominated and controlled by him. Noah was even allowed to curse his son Cham, and his son as well, just because Cham contradicted him. Noah believed himself to be untouchable, not only equal to God, but even sitting on his throne. Noah's perversion is the perversion of Judaism, i.e. the Semitism that I am uncovering here in order to transform it.

Yesterday, so on Wednesday, October 30th, 2024 in the morning, I read the article "**The Unbelieving Priest**", about Ivan Kuterovac, a priest in the south of Germany, in the Mitteldeutsche Zeitung. I read this article with interest and completely agree with some of the apostate pastor's insights regarding Christ and the Church. Where Ivan Kuterovac becomes deeply confused and lost is his fatal statement that God is the creator of the world. Here he would first have to make it clear which God he is talking about. Because if he defines God as the creator spirit, this can never have created the world. Because the world is turned away from creation and acts against the spirit and essence of life. In fact, the **world** is man-made, and so is the **World-God**. The world is the shadow of lies; an aberration, a dead end, the evil spirit of the self. This self rising above being, like a cancer cell above the healthy cell.

I ask the Mitteldeutsche Zeitung to inform Ivan Kuterovac about this. He are also welcome to contact me.

Neither Christ nor the Church will endure. Their decline is certain, unavoidable and irreversible. The pillars of the church are the nails with which Jesus was nailed to the cross in order to rise as Christ. Neither has anything to do with Jesus of Nazareth. Jesus was an enlightener and revolutionary, in the spirit of love and peacefulness, murdered by those who saw him as a threat to their system of autocracy. The Christian churches are deeply corrupted, entangled in the war in Ukraine, Gaza and Lebanon, and deeply responsible for, and thus surrendered to, the perversions of the world.

Truly

The media could send an important signal for an end to the Ukraine conflict by agreeing to stop writing and talking about a **war of aggression** by Russia. This agitation should end for the sake of peace.

Joe Biden, Benjamin Netanyahu, Volodymyr Zelenskyy, Olaf Scholz, Emmanuel Macron, Annalena Baerbock, Ursula von der Leyen, Marie-Agnes Strack-Zimmermann, as well as many other bastards in politics and society, **YES**, all this murderous pack is responsible for the warlike terror.

No religion, no politics and no ideology will save all you. They will make everything worse. More, further and deeper with every hour. It has been told to you, it is written here.
