The Unborn speaks

And am I the voice of the universal all-unity

For **Donald Trump**, the **47th** President of the USA

So Donald

I testify to you on the ear of the global collective of all peoples and nations

Listen and look

The **United States of America** (USA) is what it is today, because all of your **46** predecessors played God.

And if you intend to continue that game, it would be better for you, if you had never been born.

So I bear witness to you

No religion, no politics and no ideology will save you.

It has been told to you and it is written here.

And my word is valid in the boundless heaven and on the timeless earth

Am I the face of those who come towards me and the back of those who follow me.

And my name is

Gerhard olinczuk treustedt

The Unborn, Nameless, Unnamable, Holistic and Indiscriminate
