The Unborn speaks

And am I the voice of the universal all-unity

## Lies make compromises, never the truth

Everyone who belonged to it is responsible for the failure of the traffic light.

But Olaf Scholz is solely responsible for the fact that he was not able to save the coalition or to actually instruct and lead it at any time. This is due to a lack of sovereignty, size and character. He has never been the answer, nor is it today. He taken over himself and deceived himself and everyone. He lied on the day of the 2021 federal election and was therefore defeated even before he opened coalition negotiations. The fact that he presents himself as a victim today is evidence of his mendacity, his inferiority, his weakness, his overestimation of himself, his small-mindedness, his banality, his dependence and therefore his corruption.

Scholz's statement: We all have to make compromises, this presumption not only defines the fatal fraud of his claim to leadership, but also reveals that this claim was never justified. **YES**, this presumption actually and unchallengeably illustrates the control absolutism that must incapacitate all "we" because otherwise he cannot exist, **YES**, because he is immature itself. And this is what he calls pragmatism. He couldn't be more pathetic!

Because

Who is "**We**"? And who presumes to dictate that this "**We**" has to make compromises? Maybe the Chancellor? Does everyone have to make compromises just because the Chancellor makes compromises? Is the person who makes compromises credible or the one who refuses to do? **Does the answer goes first, or goes this the compromise?**

The **answer** makes no compromises, Olaf. **Never**. The answer is sovereign, is equal to every question, superior to every doubt, and thus advances and advances so that everyone can go with it and follow it. **She** doesn't make any compromises. With who too? With the question? How is that supposed to work? Rather the **answer** lets go, says goodbye and turn away, because it always knows how to stand and walk alone.

## Rot makes compromises, not maturity

Anyone who compromises abuses. And anyone, who abuses is dependent and is by no means standing on their own two feet. He can therefore never lead. Non and never! So, Olaf. You think you are big and strong, and yet you are actually small and weak. You are corrupt and in deep rot, and have reached the End of your dead end.

And here about Pythagoras and the ARD, text panel 401, from today, Friday, November 8th, 2024:

*The shortest words, namely "Yes" and "No," require the most thought.*

But I tell all you: This only applies to the corrupt or the rotten.

Regarding **quote of the day** in the ZDF text, panel 550 from today, Friday, November 8th, 2024:

*When you hate a person, you hate something in them that is part of yourself. What is not part of ourselves does not bother us.*

But I tell all you: the statement: "does not **bother** us" is unfortunate. But: "does not **touch** us" is happy.

Re: Saying of the day by Aristophanes, on Bayerntext, plate 501, from today, Friday, November 8th, 2024:

*Governing is not a matter for people of character and upbringing.*

I clarify: **Character** does not rule, because **He** breaks out and leads the way. **Education** doesn't rule because, **She** running with. Governing always means immobile. Everything repeats itself in circles and is therefore stuck and does not mature. Governing thus preserves all rot, condenses it and expands it. Only character can transform Governing.

No religion, no politics and no ideology will save all you. They will make everything worse. More, further and deeper with every hour. It has been told to you, it is written here. You all have to do decide! **YES, you all have to do!**

And: Truly, I am ready to lead Germany and Europe, as well as to open the door for the End to all conflicts.

**And my word is valid in the boundless heaven and on the timeless earth**

**Am I the face of those who come towards me and the back of those who follow me.**

And my name is
