The Unborn speaks

And am I the voice of the universal all-unity

On the saying of the day: Bayrischer Rundfunk, page 501, from today, Tuesday, November 12th, 2024:

**Learning is experience. Everything else is just information.** By Albert Einstein

But I tell to all you

This statement is deeply wrong.

It is correct:

Only those who correctly interpret that experience, i.e. grasp its deep message, reach the center of the essence and draw from its truth, will awaken and learn in the light of **Holy Wisdom**. However, anyone who misinterprets the experience will only create false New-information and further harm!

I'm telling to all you

With all the political efforts to stop climate change, **YES**, all of these efforts are not really about saving the climate, but only about preserving the system that is responsible for climate change. And no amount of **\$100 trillion of experience** will change this fact. So all climate summits only increase the global warming.

I added at 4 p.m.:

**I know that I know what I know**

So

*All violence is always embedded in lies. This applies without restriction. Violence always follows the logic of the lie, which always fights against another lie in order to defend and preserve itself. And as long as the fight lasts, the lie believes his safe. Only the lie fights, never the truth. The lie fights because it needs a victory. The truth, on the other hand, is invincible and cannot be defeated by any lie. Therefore the truth does not fight. She withdraws and therefore offers no surface for attack.*

Verily, verily, verily

No religion, no politics and no ideology will save all you. They will make everything worse. More, further and deeper with every hour. It has been told to you, it is written here. You all have to do decide! **YES, you all have to do!**

51% of those eligible to vote, following a true spirit, are necessary to turn the emergency around. Anything else will certainly lead to the apocalypse. **This is written in the light of Holy Wisdom.**

And: Truly, I am ready to lead Germany and Europe, as well as to open the door for the End to all conflicts.

Now everything has been said

**And my word is valid in the boundless heaven and on the timeless earth**

**Am I the face of those who come towards me and the back of those who follow me.**

And my name is
