The Unborn speaks

And am I the voice of the universal all-unity

I announce a message within 48 hours.

But here is this:

Like Olaf Scholz, Volodymyr Zelenskyj should ask the question of trust.

He certainly doesn't have my approval.

And he should not fire any more missiles towards Russia. Not one!

Truly

Semitism defines the self-rotteness of Judaism

Listen and look

What Semitism practices in Gaza, i.e. the genocide practiced in the Middle East, such murderous pogroms practices the Semitism also in Ukraine, with a globally-lined, increasing trend. It's a rabid game of nuclear fire. Joe Biden is deeply mentally ill, i.e. in the darkest rot, as are all those who agree with him and follow him. Merkel prepared this war, and Scholz then opened it. Vladimir Putin was stupid enough to get drawn in.

Now Scholz has fallen, just as all the **SPD** chancellors were once spat out like cherry stones when they had fulfilled their banal duty on the Semitic leash. Brandt after his kneel; Schmidt after the NATO double decision; Schröder after the abolition of the welfare state; and Scholz with the opening, forcing and consolidating of the war against Russia. The SPD was always used for those perversions that the CDU-CSU should be spared from, so as not to tarnish, burden and darken that **Judeo-Christian Halo** into rot.

I bear witness to all you

All self is a realized lie

For Robert Habeck

YES, Robert, Adolf Hitler also realized his self. So if you were right, Adolf Hitler was too. But actually and undeniably you are no more in right than that despot ever was; means you are on the same level as him, in actualized **self-rotting**, and you stink like him. **YES**, you are just as mentally ill, devastatingly pathetic a fart as the leader of the National Socialists was.

That's why I'm asking you to start thinking

What murderous battle are you already riding on the Taurus missile? What rot controls you and what hatred drives you? What is the point of your megalomania? What do you want to achieve? Do you want to go far up with Taurus missile for revenge, or are you just fleeing the stench of your sick and inferior self? Why are you inciting against Putin?

Verily I say to the alliance of green immaturity

If or were Robert Habeck a great, so he would not have sat with Frank-Walter Steinmeier. What connects these two and others is the rot of Semitism, the worst fascism in contemporary history, i.e. that history of glorified, praised and yet so stupidly perversely overestimated self-image.

Listen and look

No, no Robert, you are not great. You weren't great before, and you aren't great now either. You don't even know what **greatness** really is. **The reaction to those fool, this stupid self-reflection, it undeniably testifies and confirms you as the fool!** **YES**, Robert, the only thing that is great is those stupid head that thinks it has to realize its banal self. You and Annalena Baerbock, you are horror. And whoever affirms and chooses you, affirms and chooses horror.

The G20 summit in Rio is a cruel affront that can hardly be more sadistic. Participants actually believe that their self-image deserves the realization of their schemes. But the evil spirit of those Flausen, it is the evil spirit that is truly responsible for all the global disaster, which he now believes he can transform. **YES**, this evil spirit is like those cancer tumor that proclaims that it can cure all cancer in its self-realization. Just as Joe Biden believes that he will find salvation in continuing his madness in such a way, that those will outlast him.

Vladimir Putin, Benjamin Netanyahu and Volodymyr Zelensky should all three ask for a vote of confidence. If they were credible for even five minutes, they would immediately agree to my suggestion. All weapons could be silent until the new election. Vladimir Putin did not start the war, but was stupid enough to allow himself to be drawn into it. I had warned him about this several times at the time. Netanyahu would not survive the vote of confidence and would end up serving time in prison as a result. And please tell the Ukrainian president that weapons do not speak of and for themselves, but only define the sick self of the person who not only does not listen, but only speaks with his echo. And he should not prove the lie of his self-realization to the world by teaching those to whom he is spiritually inferior.

I once again call for all German resistance to gather in the **Alliance GRAL**. Resistance means that all those who not only know that politics cannot and will not bring about change, but also do not want politics to convince themselves and the people of this and then even try to do so should come together. I am ready to take part in the upcoming federal election and have therefore already sent the necessary notification of participation to the Federal Statistical Office. At the last federal election in 2021, we were rejected by the Federal Returning Officer because, in his opinion, the alliance had too few members. What mattered to him was the Form, not the content. I will be available in my home in the next few weeks. I invite and am open to invitations. No other party can achieve the spiritual majority that is necessary to bring about a healing change. This is certain. The self-aggrandizement of that overestimating selection, **YES**, this self-dramatization of an unbearable pomposity and lust for power, this degenerate imposture, this must be put to an irreversible end.

Verily, verily, verily

No religion, no politics and no ideology will save all you. They will make everything worse. More, further and deeper with every hour. It has been told to you, it is written here. You all have to do decide! **YES, you all have to do!**

51% of those eligible to vote, following a true spirit, are necessary to turn the emergency around. Anything else will certainly lead to the apocalypse. **This is written in the light of Holy Wisdom.**

It's more serious than ever before. The **degeneration** and **contamination** have progressed to such an extent that only a radical, consistent and thorough spirit of truth, wisdom and salvation can prevent further widespread horror.

I am the answer to all your questions.

And: Truly, I am ready to lead Germany and Europe, as well as to open the door for the End to all conflicts.

And my word is valid in the boundless heaven and on the timeless earth

Am I the face of those who come towards me and the back of those who follow me.
