The Eternal speaks

And am I the voice of the universe

Stupid and cowardly squats and shits on a rotten branch

Truly I testify to all you

The lie is the center of the world

And once again I testify to you

The center of the world is lie

Truly

And the lie defines the apocalypse

Verily, verily, verily

Man's lies are called gods and idols

Thus

All religion and all politics are and failed

Global, without exception and comprehensive

Therefore

Religion and politics will not bring about change. Never and never. Not today, not tomorrow. They are responsible for all misfortune and suffering. They only serve and serve them selves!

Those who affirm war, they fear and deny peace

Everything is said in and with me. I stand alone and all-one, and I neither need all your approval nor your recognition!

Only insight and humility find the path of change towards salvation

My Flow rests silently and eternally

And everyone is Loaded

My word is valid in the boundless heaven and on the timeless earth, and is written in the dust!

And my name is

Gerhard olinczuk treustedt

Lover, Knower, Seer and Comprehensive
