The Unborn speaks

And am I the voice of the universal all-unity

On the events at the named Christmas market in Magdeburg, on December 20, 2024

I illuminate this phenomenon from sites on different levels

So I testify to all you

**Humility crowns wisdom**

So

**Whoever denies salvation, affirms horror**

I testify to all you

In my letter dated December 19, 2024, I pointed out the **Gral-Alliance** information stand in Lutherstadt Wittenberg and invited all media and others who were interested to meet me there between 10:00 a.m. and 2:00 p.m. on December 20, 21, 23, 2024, and January 3, 2025. The place allocated to us by the authorities for our information stand was located directly at the entrance to the Wittenberg Christmas market. But of all those invited, not one was interested in my message of salvation. I admit that it was quite icy in the morning and a fresh, wet, cold wind blew without special permission, not only in the driveway. The media didn't need this to accept my invitation either. But they followed the comfortable, **Carry-on** of the cruel spirit of the times.

As a result, nothing was read or heard about the information provided by the **Gral-Alliance** in the German media. However, one horror of the day attracted enormous interest in all media. The terror of one rampaging driver struck the media houses like an earthquake. **YES**, a powerful tsunami hit the press and Telemedia, sweeping everything away. Media-friendly assault journalism in all papers and on all channels. All the political experts then arrived, first at that desecrated market, and then finally at the church, to serve **God-idol-mammon**. Hypocrisy and sanctimony could not be more banal and hypocritical. A church meeting of the vassals to testify to the media about their corrupt loyalty to the system and to swear their guilt-laden responsibility in this hopeless business as usual. What would have happened that day if the guests had greeted me on Friday morning at the entrance to the Wittenberg Christmas market?

The perpetrator of the rampage, **Talek A.**, previously worked as a specialist in psychiatry and psychotherapy in a facility of the system, and was certified and called upon by this system to care for those in need in that place, to provide them with spiritual support here, to help them with healing and opening answers and to accompany them on the path to recovery. The murderous terror of this Specialist doctor at the Christmas market in Magdeburg, this act seems almost unthinkable in this context, it is rather paradoxical, absurd, grotesque and indeed extremely pathological. **YES**, the horror caused makes it clear that the perpetrator responsible for this was and is far sicker than his charges, and therefore was never, or ever could have been, a real help to them. Because how can and wants someone to bring salvation to others whose self is in degenerate confusion and always without an answer?

Truly

**All politics has failed without exception**

What **Talek A.**'s psychiatric institution represents on a small scale is the German national community on a large scale. **YES**, the German system is a large-scale psychiatric institution in which an apocalyptic evil spirit manages a crazy house of chaos with no prospect of improvement. **YES**, the deeply sick confusion of that educated **specialist doctor Talek A.** is undoubtedly reflected in all the religious-political-ideological **head-elite** of that system, i.e. in the heads of all the educated Pharisees, scribes, leaders and other brainchildren whose capital large-capacity vehicle is not only littering the earth and fueling a climate catastrophe, but is also steering the international community towards a nuclear finale. Because this hopeless **large-system-elite** is very much in just as rabid confusion as that **small-headed-surprise-man** in his murderous sleigh at the Magdeburg Christmas market.

Adventurers, card cheats, busybodies, impostors, gun nuts, warmongers, and insatiable profiteers, as well as other trolls and other charlatans, **YES**, all these noisy fuzzies are vying for leadership in the country. The traffic light coalition was already a madhouse. But what is now about to happen is certainly not a rehabilitative sanatorium, but truly the worst, most deceitful, most insidious and most perfidious madhouse imaginable in German history.

### **Prohibitions are commandments of corruption, degeneration and decay**

The Christmas market is a playground of the **Judeo-Christian Occident**, like a multi-purpose room or a canteen in a psychiatric institution. But the Christmas market is more than a canteen; it is comparable to an office, a law firm, a casino, a brothel, a street prostitution area. It is a harem of hypocrites, sanctimonious people, courtiers, bigots, Pharisees, sycophants, blowhards, opportunists, cowards, blabbermouths, hawkers, gamblers, soft-spoken people, scoundrels, con artists, pimps, jugglers, quacks, charlatans and faith healers. The only thing they have in common is their overestimation of themselves, their self-righteousness and their incorrigibility. They will not open a gate or an entrance to salvation. **Never**.

The Christmas market is the icing on the cake of the annual Christmas frenzy of globalized capital. This year-end large-scale event of the mostly Western mass stupidity is based on the pathological **lies and deception** of the Bible, **YES**, on the glorification of the enlightenment figure Jesus of Nazareth, which has been distorted by perfidious interests, and thus on the slanderous falsification of his message of salvation. **YES**, this biblical fairy tale is primarily responsible for the gigantic clinical picture in **Germany's** large psychiatric institution. Those child-fuckers of the churches, they don't just fuck physically, but mentally too. They are called degenerates. First and foremost the Roman giver of the **fuck blessing Urbi et Orbi**.

Tell him from me:

**Hope is the noisy curse of business as usual**

**Hope is not only the denial of sacred responsibility,  
but testifies to its furthest blasphemy and rejection.**

**Hope conjures up a nuclear finale**

Hear my word

In the Armageddon around Los Angeles, the piles of rubble from Hiroshima and Nagasaki are reflected. **YES**, what Semitic America once staged as the Last Judgement is returning to the masterminds and perpetrators as the twilight of the gods. Even before he takes office, Donald Trump is already playing their god.

Listen to what the Russian writer Leo Tolstoy (1828 to 1910) once said:

One could justify the subordination of an entire people to a few people if the rulers were the best people. But that is not the case and it never can be. Often the worst and most insignificant, cruelest, most immoral and, above all, most deceitful people rule. And that this is no accident

**YES**, Leo Tolstoy testifies, as many before and after him:

**The elitist corona of the international community is their common curse**

Isn't this referring to Germany's corona around Olaf Scholz, Friedrich Merz, Robert Habeck and Alice Weidel, and is this corona only a notch of the western or even the global corona? Is it not the case that the worst psychopaths of a collective psychiatric institution pretend to embody **healing**? Isn't their deeply hopeless **stench** unbearable! Has the horror of the **hoped-for** healing not progressed far enough?

What does it mean when Robert Habeck makes a noise: "**Hands off our democracy, MR. MUSK!?**"

Well, first of all, Robert Habeck says: "**Hands off my democracy**", so, **of my autocracy and its implementation. YES**, Robert Habeck also plays God, because he puts his **MINE** over **OUR**. Habeck thinks that **OUR** thinks exactly like **MINE**, that both are **identical**. Habeck's "**MINE**" has taken over everything that is **OURS**, so that that "**OUR**" follows his "**MINE**". In this way, Robert Habeck reveals the megalomania of his absolutism, he just doesn't know it. He speaks of „**my**“ democracy, which he has made "**ours**" and which therefore belongs to him. And because that democracy belongs to him, he forbids anyone from speaking out, from contradicting him and from thinking differently. He does this because his democracy is actually worth nothing, but only defines his narcissism. Because if his democracy were worth something, he would not have to fear anyone's **word-finger**, but would be able to peacefully accept any hand that he would take into his own. But he would rather take up a weapon to defend his "mine" and "ours". Robert Habeck is not the answer. He doesn't know it. **NO**, he doesn't even have the slightest idea.

What does Alice Weidel mean when she says: "**I refuse to accept any interference in my life**"?

Well, what she means is: I, Alice, am happily interfering in the life of the German Federal Community in order to reshuffle that life, to mix mine in here, to mix everything up and to arrange it anew in mixed self-importance. But first I forbid the people from interfering in my life, because they could then and truly realize that I really and truly know nothing more about life than that mine is worthless.

Truly I say to you

There are many who play God, are full of hatred and incite against everything and everyone who sees them differently, thus contradicting and rejects them. All these fraudsters and impostors truly fear self-reflection, their unmasking, that is, the exposure of their inner wickedness and malice. **YES**, there is nothing they fear more than the illumination of the Enlightenment, to whose truth they have nothing to oppose other than their immature self-overestimation; in this xenophobia, hatred, agitation, harassment, contempt and degeneration. They want to save what is irretrievably lost and are thus devoted, subservient and at the mercy of only to mortals. Even those inquisition idols of the Media Authority of Saxony-Anhalt, that is, those imposters, card sharpers, charlatans, scoundrels, braggarts, loudmouths and busybodies, they too play God and want to incapacitate me, just as they are incapacitated. They want to train me, educate me and breed me accordingly, **YES**, just as their self is called trained, educated and bred. They believe they are truly chosen, able to set standards and to determine how everyone ELSE should think, speak and do. They presume to elevate themselves above life in order to falsify, corrupt, pervert, darken and destroy it. **It couldn't be more perverse!**

**I don't belong to them.**

I am a healer who startles the rot, in a friendly and fearless way so that it is obvious. And whoever sees hatred and agitation in my words and actions always and only reveals his own home-made, plain inner rot and its hopeless ruin, which he tries to cheaply shed on me. **YES**, the Media Authority of Saxony-Anhalt is projecting its demonic spirit into my presence and is thus trying to distract from its internal and hefty wickedness, lack of character, deceit and malice, solely to preserve its artificial and profoundly banal and worthless masquerade of hypocrisy, deceit and hypocrisy, instead of facing up to the insight and opening up salvation. **They rate their hate- and inflammatory writings as a conversation. Yes**, all these scribes, deceivers and Pharisees are already lying when they say **good morning**. They go to bed in and with the lie, and get up again in and with it. They affirm themselves, without a doubt in their ears in their ears as if heaven and earth belonged to them alone. The Inquisition is a Ulcer that convinces itself that it can cure all cancer.

Truly

### **Where lies reign, there is decline Whoever rejects Healing, affirms horror**

**The Media Authority of Saxony-Anhalt is largely responsible for all the horror on earth.** It is precisely the media that has largely claimed hatred and incitement for itself and stored it in its manure pits, and can thus continually draw on the fullness of its deceptive manure. Not only do they celebrate the hellish ghetto that they built solely for their own self-glorification, but they defend it with every means of **LIE and DECEPTION**. And since then they have been walking around in this ghetto like godlike idols, constantly in patronizing and conspiratorial masturbation, and stinking to the limitless heavens. And that is precisely why the Saxony-Anhalt Media Authority, with all its hatred and incitement against me, not only confirms the goodness of my words and actions, but agrees with me completely.

The incapacitated and overestimating media **authority in Saxony-Anhalt** needs the supervision and control of the very **youth protection officer** that it wants to prescribe and impose on me. But I do not need their or any other approval or recognition, because I am before you and after you, and I am not hiding anything.

Angela Merkel also played God when she made global warming socially acceptable. **YES**, she actually declared the earth to be her Salon and therefore increased the global temperature. She turned the heating up by 1.5 degrees, so that even the polar ice began to sweat. Today she defines her rabid arbitrariness as the blessed freedom of her divinity; the same freedom that caused her to incite the people of Ukraine against Russia. She also summoned the peoples of Libya and Syria with the divine gift of her liberal autocracy, which is said to be solely due to hatred and its absolutism. **Angela Merkel is responsible for more mischief than any world-system-self-whore before her.**

Federal Election Commissioner Ruth Brand also plays God. Yesterday in Berlin, I survived an orgy of paragraphs of unknown and threatening proportions at the Federal Election Committee. In this orgy, she truly put that holy seriousness that she not only denies to everyone else, but which she defined is unique to herself. Her halo cast all light into its shadow, and her powers to issue guidelines were only interrupted by a corrective angel.

**YES**, the **AlliaceGRAL** was indeed and actually not admitted to the federal election on February 23, 2025, but was excluded from it. In the opinion of the Federal Returning Officer, the alliance does not meet the necessary criteria to participate in an election. She accuses us of a lack of seriousness. She defines this lack of seriousness by our number of members, which she considers to be too sparse, as well as by a lack of public relations work. It is not the content that counts, but the fulfillment of the guidelines of her paragraphs.

This policy-making authority replaces seriousness, character, credibility, backbone and sovereignty in the Federal Election Committee. YES, policy-making authority makes up for the Federal Returning Officer that, what is our own, our given and our enough. And so she and her conspiracy will stumble over this policy-making authority, but not us. Everything has its time. We do not have to take part in the federal election, which will certainly end in an unprecedented disaster, but we will be ready afterwards. This is the essence of our trip to Berlin on January 13, 2025.

### **In the Standing lives the first step**

and

### **There is no Continue as before in standing**

This also applies to me. In this case, standing means not fighting headlong into the Wall, but taking a step back in humility, standing still, looking, waiting for things to happen - and then wise taking the right step at the right time. Everything has its time, do you hear? Everything has its time at the right time. **Hence my silence.**

Verily, verily, verily I testify to the global collective of all peoples and nations

The message of the rampage at the Magdeburg Christmas market is:

### **If you refuse my Way, there will be no Healing for you, but a nuclear apocalyptic horror.**

Verily, verily, verily

No religion, no politics and no ideology will save all you. They will make everything worse. More, further and deeper with every hour. It has been told to you, it is written here. You all have to do decide! **YES, you all have to do!**

51% of those eligible to vote, following a true spirit, are necessary to turn the emergency around. Anything else will certainly lead to the apocalypse. **This is written in the light of Holy Wisdom.**

It's more serious than ever before. The **degeneration** and **contamination** have progressed to such an extent that only a radical, consistent and thorough spirit of truth, wisdom and salvation can prevent further widespread horror.

**I am the answer to all your questions.**

And: Truly, I am ready to lead Germany and Europe, as well as to open the door for the End to all conflicts.

**And my word is valid in the boundless heaven and on the timeless earth**

**Am I the face of those who come towards me and the back of those who follow me.**

And my name is
