The Unborn speaks

And am I the voice of the universal all-unity

Truly I say to all you

At the End of the tunnel there is no light, but the most abysmal darkness. The tunnel is a dead end. Therefore the light can only be found in Front of the entrance.

Truly

Neither man nor the world is the answer or the way.

I'm telling all you

The Central Council of Jews, as well as the media institutions, must be dissolved.

Because

Anyone who devalues **OTHERS** in order to convince themselves of a value, he is not only defining tunnel vision, but also the absolutist psychological terror that is responsible for all evil on earth.

What is currently going on in Germany regarding the federal election, this flatulence certainly defines the furthest conceivable devaluation of life.

And my name is

Gerhard olinczuk treustedt
