The Unborn speaks

And am I the voice of the universal all-unity

I tell all you

The supposedly good ones, they are the truly evil ones

Verily, Verily

Do you know the land where the cannons bloom? (Translation difficult. Try it yourself!)

Do you know the land where the cannons bloom?
Du kennst es nicht? Du wirst es kennenlernen!
Dort stehn die Prokuristen stolz und kühn
in den Büros, als wären es Kasernen.

Dort wachsen unterm Schlips Gefreitenknöpfe.
Und unsichtbare Helme trägt man dort.
Gesichter hat man dort, doch keine Köpfe.
Und wer zu Bett geht, pflanzt sich auch schon fort.

Wenn dort ein Vorgesetzter etwas will
- und es ist sein Beruf etwas zu wollen -
steht der Verstand erst stramm und zweitens still.
Die Augen rechts! Und mit dem Rückgrat rollen!

Die Kinder kommen dort mit kleinen Sporen
und mit gezognem Scheitel auf die Welt.
Dort wird man nicht als Zivilist geboren.
Dort wird befördert, wer die Schnauze hält.

Kennst Du das Land? Es könnte glücklich sein.
Es könnte glücklich sein und glücklich machen?
Dort gibt es Äcker, Kohle, Stahl und Stein
und Fleiß und Kraft und andre schöne Sachen.

Selbst Geist und Güte gibt's dort dann und wann!
Und wahres Heldentum. Doch nicht bei vielen.
Dort steckt ein Kind in jedem zweiten Mann.
Das will mit Bleisoldaten spielen.

Dort reift die Freiheit nicht. Dort bleibt sie grün.
Was man auch baut - es werden stets Kasernen.
Kennst Du das Land, wo die Kanonen blühn?
Du kennst es nicht? Du wirst es kennenlernen!

Erich Kästner

Those who understand their standing, know their walking

Erich Kästner's text captures the spirit of the times and all its games of change. This is by no means just about Germany, but rather about Europe; **YES**, about that Europe after the French Revolution. It is that Semitic Europe, which now, with its twin calves "Macron-Merz," is paving the way for the "Third World War." **YES**, this Jewish breeding calf duo is inviting the European peoples to the imperial-final and nuclear cannon dance. Ukraine truly positions itself as a biblical altar, upon which Judaism celebrates its Semitic victim role, to be venerated and worshipped by the bloated alliance of the **willing and arbitrary**, so that it can continue to plunder and shit on them in a controlled manner. The **Tower of Babel** is built and expanded upon that enormous mountain of debt, which, supported by a majority, serves, elevates, and sanctifies a small minority.

Grow and multiply, and subdue the earth

On Tuesday, March 18, 2025, Friedrich Merz paved his way to the chancellorship of the German Bundestag with those ominous words of truly deeply hysterical war rhetoric (Tagesschau, at 8:00 p.m.): *"The circumstances are determined above all by Putin's war of aggression against Europe. It is, in fact, a war against Europe, not just a war against the territorial integrity of Ukraine."* These words of a rabid lie not only define the deep hatred of his inner inferiority, but with this intonation, Merz is very much stirring up the peoples of Europe against Russia, **YES**, inciting, inciting, and even encouraging a military conflict in order to justify his deadly, infernal excessive indebtedness and rearmament. Friedrich Merz defines cultivated evil. He is a mentally crippled psychopath, which means he is deeply hostile to life, darkened by false values, disoriented on pathless quicksand, guilty of his corrupt immaturity and driven by externally imposed stupidity.

Emmanuel Macron is proving to Europe that a nuclear bomb can do more than he can. **YES**, he is proving to Europe and the world that it is the answer, and therefore more powerful than he is. **YES**, he is proclaiming and indisputably proving that this "**nuclear intelligence**" replaces everything that is lacking and thus unknown to him: **value, personality, character, credibility, strength, and sovereignty**. Following his logic, not only should he, as President of France, resign immediately, but the entire European elite should renounce it comprehensively and forever, leaving everything to nuclear competence and consistency. In this way, according to Emmanuel Macron, all impotence would give way to power, all intelligence would dissolve, and peace would reign on earth.

Friedrich Merz believes the answer lies in the coin he doesn't possess. So he goes into debt. He borrows other people's money, and thus also the supposed answer. As a result, he still owes the answer, as well as the loan and its interest. He is therefore guilty of the rabid lie before he even begins. As a result, he certainly accumulates only lies and guilt, but no answer. Merz is a slave to the cause and unaware of the consequence. This is not just an answer, but an inviolable clarification of the Enlightenment.

Merz and Macron, and their **Echo-like followers, YES**, they are not only the real threat in and for Europe, but they actually and forcefully demonstrate the collapse of the holistic, living creation, whose sustaining spirit requires neither coin nor weapon. These two idiots define, for all to hear, that certain and obligatory self-destruction. **YES**, they are therefore worth less than a stinking pile of coyote shit.

The fascist Napoleon Bonaparte invaded Russia and failed. The fascist Adolf Hitler invaded Russia and failed. What neither of them managed, they are now attempting together again in the fascists **Macron** and **Merz**. The German army's invasion of Poland was once preceded by a lie.

Why is the UN waving to Annalena Baerbock?

Well, she's weak, corrupt, corruptible, incompetent, immature, and stupid.

For Donald Trump
