The Unborn speaks

And am I the voice of the universal all-unity

Woe to the Jews and the Christians, in whose God their lies nest.

Truly, truly, truly I testify to you

The attack in Magdeburg on December 20, 2024, is the omen of a spiritually comprehensive magnitude, i.e. an indicative message, as well as an announced forewarning. The interpretation of this message, that is, the clarification and translation of this indication, this therapy is not inherent in the human self. Only the seer can approach exegesis. The presence of the beyond, i.e. the opposite, this in relation to the usual and established, this certainty is something only a few understand how to recognize, let alone distinguish or even separate. Those who nevertheless try to interpret this secret, i.e. this mystical testimony, are stupid enough to overestimate themselves and open up further disaster.

I will not announce the message of this event until the beginning of 2025.

Certainty does not require security

Verily, verily, verily

No religion, no politics and no ideology will save all you. They will make everything worse. More, further and deeper with every hour. It has been told to you, it is written here. You all have to do decide! **YES, you all have to do!**

51% of those eligible to vote, following a true spirit, are necessary to turn the emergency around. Anything else will certainly lead to the apocalypse. **This is written in the light of Holy Wisdom.**

It's more serious than ever before. The **degeneration** and **contamination** have progressed to such an extent that only a radical, consistent and thorough spirit of truth, wisdom and salvation can prevent further widespread horror.

I am the answer to all your questions.

And: Truly, I am ready to lead Germany and Europe, as well as to open the door for the End to all conflicts.

And my word is valid in the boundless heaven and on the timeless earth

Am I the face of those who come towards me and the back of those who follow me.

And my name is
